(DEEP DARK CHOCOLATE)

You're the deep dark chocolate
The one I want to taste.
You're the deep dark chocolate
The one I will embrace.

You're the deep dark chocolate
You're lovely and so fine.
You're the deep dark chocolate
I want to make you mine.

So sweet, so luscious
So smooth, it's delicious!
So warm, so creamy
So dark, your lovely!
So tender, your a treasure
So soft, it's a pleasure!

So good, so good
So good! good! good!

My Deep Dark Chocolate.

WHAT IF.....

What if everyday was spring
And the air was fresh and clean.

What if you and I were together everyday.

What if time could be stopped
And all wonderful memories last longer.

What if you and I had met at another time.

What if world harmony could be achieved
And all people live in peace.

What if you and I began a family.

What if the rainbow always sparkled in the sky
And the clouds stayed away.

What if you and I shared the ecstasy and passion of love.

What if everyone were judged for who they are
And looks, wealth and dress were of no concern.

What if you and I intimately shared our dreams.

What if life was always fair
And racism, poverty and hunger never existed.

What if you and I had a lifetime to share.

What if you and I.....?
What can you and I.....?
What will you and I.....?

THE FULL MOON

New moon, quarter moon, half moon, FULL MOON
Shiny and bright --- as it lights the night
It brings thoughts and transformations

Thoughts of...

Your shining smile
Your cheerful charm
Your warm wit
Your lovely laugh

Transformation of...

Strangers to acquaintances
Acquaintances to friends
Friends to admirers
Admirers to lovers

Oh what a FULL MOON brings...
Its thoughts and transformations are...
Like You...A bright spot in the vastness of life.

THE SMILE THAT ADORES YOU

A quick wink
And a soothing stare,
As the eyes light up
You better beware.

It's gonna come slowly
You may not see it at first,
But it will be there
For better or worse.

It's bright and cheerful
And it goes from side to side,
And many times it may seem
To go on and on for miles.

It's the smile that adores you
Forever and a day,
It's the smile that thinks you're special
In every single way.

So when you see me smiling
Especially at you,
Just give me a little smile back
And you'll get that quick wink too.

“NONE”

From head to toe
 There is none so bright.

From shore to shore
 There is none so kind.

From side to side
 There is none so wonderful.

From top to bottom
 There is none as sweet.

From left to right
 There is none so lovely.

From now to forever
 There is none like you.

DARK BEAUTY

Dark Beauty with a fresh smile
Bright as the full moon.

Dark Beauty with smooth skin
Soft as the orange sunset.

Dark Beauty with undeniable fire
Strong as the unmovable mountains.

Dark Beauty with knowledge and power
Efficient as the shining stars.

Dark Beauty with strong independence
Wise as the whispering waters.

Dark Beauty Is You
For as long as time goes on.

SILENT FIRE...

Silent moon
Silent ground
Silent smile
Silent loud.

Silent song
Silent choir
Silent heart
Silent fire.

AND OH! SO!

Oh so charming and sweet
And Oh! So! Unique.

Oh so bold and beautiful
And Oh! So! Wonderful.

Oh so gentle and kind
And Oh! So! Fine.

Oh so dark and lovely
And Oh! So! Cuddly.

Oh so sexy and cool
And Oh! So! Smooth.

And oh so...
And oh SO!.....
And OH! SO!.....

THE BEST MEDICINE

When you're feeling lonely
You need the best medicine around.
When the world seems all against you
You need the best medicine found.

When you feel all hope has disappeared
You need the best medicine money can't buy.
When all else fails
You need the best medicine to try.

The Best Medicine is the person who listens to your gripes,
And makes no judgments about decisions on your life.

The Best Medicine is the person who will always be there,
Through all time, good, bad, funny and fair.

The Best Medicine is the love and friendship shared,
Between two people who really much care.

The Best Medicine is past, present and future times too,
The Best Medicine is all the times spend with you.

FALLEN LOVE

The love has fallen.
But...
Hope for a new mutual love grows.

The love has fallen.
But...
A new love is waiting with open arms.

The love has fallen
But...
The heart still beats with what could be.

The love has fallen.
But...
The friendship is still alive and warm.

The love has fallen.
But...
The real love still goes on, and on, and on, and on...

STILL IN LOVE

As the time pasts by
As the birds do fly

As the water wades
As the picture fades

As the lightening strikes
As the endless sights

As the canary sings
As the bluebird's wings

As these things and more
As a wide open door

Yes, indeed, as the full moon up above
I'm still in love.

AFTER ALL THESE YEARS

One would not think I would still be around
After all these years

One would have thought I had given up
After all these years

One would have thought my heart had grown weary
After all these years

One would think a new throb would beat
After all these years

One would suspect that it is totally impossible
After all these years

One would guess hope had no place
After all these years

One would imagine an end to the fire
After all these years

Well.....
You're all wrong!
After all these years ----
I still believe.

“MY FIVE SENSES”

I SEE YOUR BEAUTY

As a sight for sore eyes
And all your body radiates.

I HEAR YOUR VOICE

As a soft whisper
And I listen closely
To your every word.

I SMELL YOUR SWEETNESS

As a lilac in bloom
And your fragrance
Takes my breath away.

I FEEL YOUR TOUCH

As warm and gentle as a feather
And it's like the pillow
I lie on every night.

I TASTE YOUR KISSES

As I would smooth rich chocolate
And I melt
In the wake of the heat.

“riches”

as bright as the moon
as wonderful as the seas
as pure as gold
as strong as steel
as shiny as silver
as deep as platinum
as smooth as silk
as sweet as chocolate
as luscious as ivory
as dark as ebony

if but I had a choice of all the riches in the universe,
YOURS would be the only richness I would desire.

EVERLASTING AND UNDERSTANDING

It happened one day. It would be everlasting.
It happened one night. It would be everlasting.

Pain and turmoil. Suffering and anguish. But always understanding.
Mistakes and headaches. Trials and tribulations. But always understanding.
Bumps and bruises. Lies and lost faith. But always understanding.
Passions and jealousy. Sex broken hearts. But always understanding.
Times lost and times forgotten. Feelings and schemes. But always understanding.

It would be everlasting. With all the understanding.
Love takes a long time to die. But true love can never escape.
It takes a lot of understanding and forgiving.
But in the end it is everlasting.
It happened one day. Together always. It will be everlasting.
