## **2. EVERLASTING LOVE**

Of all the ladies in the world  
    There is none as lovely as you,

Of all the delicious things around  
    You are the sweetest of them all,

Of all the things there are to enjoy  
    I enjoy being with you the most,

Of all the love and trust that I get  
    Yours is the most desirable,

Of all the love one has to give  
    I would gladly give it all to you,

And of all the things yet to come  
    There is you and me  
        And an everlasting love.

### **3. FOR NOW AND FOREVER**

For all the times I saw you,  
    And never said hello.  
For all the times I did not listen,  
    And had nowhere to go.  
For all the times I looked at you,  
    And did not see you there,  
For all the times I talked to you,  
    And never really cared.

But all those days are now gone,  
    And the sun will finally shine.  
In and all throughout,  
    The hearts of yours and mine.

For now and tomorrow,  
    I will always smile for you.  
For now and tomorrow,  
    I will always help you through.  
For now and tomorrow,  
    I will try to bring you cheer.  
For now and tomorrow,  
    I will be there to care.

For now and forever,  
    Until the final end.  
You will be my one and only,  
    My very special friend.

#### **4. LOOK!**

Look who's watching you,  
    From near and far.  
Look who sees you as the brightest star.  
    I do.

Look who adores you,  
    And all that you say.  
Look who thinks of you night and day.  
    I do.

Look who thinks your terrific,  
    And oh so wonderful.  
Look who thinks your lovely and very beautiful.  
    I do.

Look who wants to hold you,  
    And squeeze you real tight.  
Look who likes you with all their might.  
    I do.

I DO. I DO.  
    YES, I DO.  
Look once more,  
    Now I love you.

## **5. "EXCHANGES"**

Just for a moment  
Let's exchange.

Let's exchange our thoughts  
So we may see how others think.

Let's exchange our eyes  
So we may see how we appear.

Let's exchange our words  
So we may learn from each other.

Let's exchange our ideas  
So we may grow.

Let's exchange our values  
So we may see another's point of view.

Let's exchange our hands  
So we may touch another.

Let's exchange our feelings  
So we may learn to trust.

Let's exchange our treasures  
So we may learn to share.

Let's exchange our emotions  
So we may learn to care.

Let's exchange our hearts  
So we may learn to love.

Let's exchange ourselves for just one moment,  
And then give to one another  
The understanding  
We are all somebody,  
We are all not alone,  
We are all people,  
We are all one!

## 6. FACES

*(Or Why I Love Your Face)*

There are tons of types of faces  
Strange, weird, odd and ugly  
Bright, charming, warm and crazy.  
There are six faces to a cube,  
And a face on every clock.  
There's a face at every turn, every corner and every block.  
There are faces in mirrors,  
On pictures, on walls.  
There are faces in bathrooms, and even in stalls.  
There is two-faced and face-to-face.  
There's the mean face, the clown face,  
The happy face, mad face,  
The sad face and oh yes, the name-calling fart face.  
There is face me and face front,  
Face up and face down.  
All kinds of faces are going around.  
Let's not forget face the music  
And one final case.  
The basketball player's scream, in yer face!  
Faces, Faces, Faces everywhere.  
Why do I write?  
Why do I care?  
I write to point out one very important face.  
Of all the faces I've seen and been through,  
There's none more lovelier than the one on you.  
Now let me see your smiling face.

## **7. "CHANCES"**

I like taking chances...  
Sometimes.

I'll take a chance on being silly.  
I'll take a chance on being weird.  
I'll take a chance on being different.  
I'll take a chance on being wrong.

I'll take a chance to look at you.  
I'll take a chance to be with you.  
I'll take a chance to know you.  
I'll take a chance to be in love with you.

I'll take a chance to hold your hand.  
I'll take a chance to hug you.  
I'll take a chance to kiss you.  
I'll take a chance to love you.

I like taking chances...  
Sometimes.  
I'll take a chance on you.

the pen is sometimes louder than sounds.

times to think and be alone are needed.

Thoughts on women,  
demand and show respect.

Thoughts on beauty,  
needed on the inside as well as out.

Thoughts on sex,  
I'll rather make love.

Thoughts on jealousy,  
never rid of it but on should control it.

Thoughts on honesty,  
with it comes trust.

Thoughts on fun,  
laughing and playing makes keeps you well.

Thoughts on marriage,  
a lifelong love affair.

Thoughts on children,  
unbearable sometimes but always loved.

every night and day.

**9. ME**

am I crazy?  
do I act silly?  
am I strange?  
do I act like a dope?  
am I weird?  
am I just a nice guy but...?  
thinking about myself  
as compared to others  
finds nothing to compare  
i seem totally different  
with many thoughts  
and to the norm  
strange actions  
can I help if I like to trust people  
can I help if I like to honest  
can I help if I get feelings about things  
can I help if I worry and wonder when there is no need  
can I help caring and loving  
i do not attempt to defend anything  
i do, I find no reason to  
i like to hear the truth  
even if it hurts I still continue living  
i like myself and the things I do  
eventually that is all that counts  
to the question posed before  
you can answer yes, no, maybe, sometimes  
all of the above  
that's me  
take it or leave it!

## **10. P.S.**

When you write to someone,  
A letter you will send.  
Remember the letter isn't finished,  
Without the P.S. at end.

P.S. I need your number.  
P.S. Please write back soon.  
P.S. I'm finally graduating.  
P.S. I'll be married in June.

P.S. I received your card.  
P.S. I miss you too.  
P.S. It was a girl.  
P.S. Hope the skies stay blue.

But when I write P.S.,  
It doesn't mean the same.  
The post script is no longer defined,  
Instead it means a name.

Thus when I end a letter,  
It's really very true.  
Stated rather simply,  
P.S. I LOVE YOU.

## **11. THE ART OF WINNING**

To win, To win  
Everyone wants to win  
What does it take?  
Confidence and poise  
Experience and talent  
Practice and hard work  
Never quitting and always trying  
Knowing never to belittle the opponent  
Showing good sportsmanship at all times  
Enjoying the game  
Playing hard and fair  
All these are ingredients of winning  
But there is one final important addition  
In order to know how to win  
You have to know another art  
This art has the same mixture as winning  
The Art of Losing.

### **13. ALWAYS SMILE**

Smile as always  
    When a cloud hangs overhead,  
Smile as always  
    When the blues start to tread.

Smile as always  
    Though times have you down,  
Smile as always  
    Turn around that frown.

Smile as always  
    ‘Cause things could be rougher,  
Smile as always  
    So now you can be tougher.

Smile as always  
    Forget the bad times behind you,  
Smile as always  
    All roadblocks you’ll run through.

Smile as always  
    And you’ll pass life’s test,  
Smile as always  
    ‘Cause you deserve the best.

### **14. PLAIN AND SIMPLE**

Sometimes you know not what to do.  
So let me say it plain and simple,  
I Love You.

**15. THE TWO SYNDROME**

Everywhere I look  
    I see two.  
Everywhere I turn  
    I see two.  
Everywhere I go  
    I see two.  
Everywhere I eat  
    I see two.  
So why is there only me?

**16. NEVERWASDATE**

Want to go out? Want to go out?  
Why not? Why not?  
To the movies or the park? To the movies or the park?  
Never mind. Never mind.  
How about some dinner? How about some dinner?  
No thanks. No thanks.  
Ah come on. Ah come on.  
Another time. Another time.  
I'll hold you to that. I'll hold you to that.  
That's fine. That's fine.  
Oh but when? Oh but when?  
In time. In time.  
Are you sure? Are you sure?  
Quite sure. Quite sure.  
See ya later. See ya later.  
I'll call. I'll call.  
I will wait. I will wait.  
Bye now. Bye now.  
Okay bye. Okay bye.

**17. "A DREAM"**

I close my eyes,  
And then I dream.  
Of a beauty.  
A beauty with brown eyes  
A beauty with soft skin  
A beauty who hears my whispers  
A beauty who hears my cries  
A beauty whom I can hold  
A beauty whom I can love  
A beauty who cares  
A beauty who's tender  
A smiling beauty  
A laughing beauty  
A black beauty  
A beauty queen  
A black beauty queen  
I close my eyes  
And when I open them  
I see a dream  
I see you.

**19. A DARK DREAM**

I am sleeping.  
I am dreaming.  
I know now,  
I'll never see you again.  
You'll never see me.  
I won't be able to hold you.  
I won't be able to kiss you.  
I won't be able to fall in love with you.  
I won't be able to love you.  
We'll never get married.  
We'll never have our children.  
I'll never see how you look in the morning.  
I'll never taste your cooking.  
You'll never taste mine.  
I won't be able to cry with you.  
I won't be able to laugh with you.  
I'll never be able to argue with you.  
I'll never be able to make up with you.  
We won't share our thoughts.  
We won't share our feelings.  
We won't share our disappointments.  
We won't share our joy.  
We'll never share our lives.  
We'll just grow further apart,  
Until all that remains  
Is a picture,  
And a memory,  
Of what could have been.  
Please, wake me!!  
Before I sleep forever.

## **20. THE QUESTIONS!**

Why do I care so much?  
Though I do not understand.

Why do I sense much happiness?  
Though at times it's really sad.

Why are my eyes wide open?  
Though it's hard to see.

Why do I dream so much?  
Though I know reality.

Why do I want the truth?  
Though it sometimes hurts the worst.

Why do I always feel?  
Though it's really hard to touch.

Why do I wonder often?  
Though it makes me feel alone.

Why do I keep on hoping?  
Though time continues to grow.

“Why?”, I was asked.  
Then “Why?”, I asked me too.

The only answer in my mind  
Is because it's Y.O.U.

### **1. A LITTLE NOTE**

I'm dropping this note  
Just to say,  
How much I'm missing you  
Night and day.

How long I wait  
To feel your touch,  
How long I wait  
To hold you much.

The thought of  
Your sweet gently kisses,  
Just makes me go on  
With a lot more misses.

When I dream of your smile  
I hear your voice too,  
It reminds me each moment  
Of the wonderful you.

Then I look into your eyes  
And all that I see,  
Is the time when you and I  
Shall finally be WE.

## **2. A SAD TALE FOR A HAPPY STORY**

I sing out loud  
But I am rarely heard  
I want so much to care  
But I receive little chance.  
I want to be close  
But I seem so far away  
I need to hold  
But distance stands in the way  
I want something lasting  
But nothing has begun  
One step forward  
And always two steps back.

I'm a sad tale  
For a happy story  
And one day  
I shall be known,  
As what I am  
For who I am  
For love  
Forevermore!

### 3. "THE AQUARIAN PROPOSAL"

One day the heart skips a beat and the butterflies refuse to the stomach. That's when he knew it as time. Time to talk from the heart instead of the mind. Time to say words that mean so much, yet for words, are very small. Big on meaning, little in letters. He sat down quietly next to her and smiled. He then gently took her hand and squeezed it softly. Just when he was about to speak, he stopped, thought and smiled. It was hard to put his feelings into a few simple words. School had not prepared him for this. Work had not prepared him for this. Even his family could not have prepared him for this. It came and that was all there was to it. If it was a success, he would be happy for life, if it wasn't he would have to wait until he was hit again. He explained how he might be strange and not like ordinary people. He had ideas, thoughts and feelings that were sometimes even strange to him. People always needed each other and he wanted her more than anything else in the world. After all, he was Aquarius and she was Aries, Aquarius and Aries, two A's, fire and air. Air fans fire and makes it brighter, and he certainly wanted to brighten her days. Fire warms up cool air, and she had certainly heated his heart. It was a perfect match. He looked into her eyes and...finally spoke. He spoke of the good times they've had. He spoke of the first time they met. It seem funny looking back, but a pleasant funny, as they both laughed. He then mentioned how life can be hard at times but we must continue living. He said that they would have their share of disagreements in the future, but together they would resolve them by listening and talking to each other. He said it would mean a change in lifestyles and in responsibilities. Responsibilities to each other. He quickly smiled and continued, it would mean giving, taking, and mutual understanding. He recited, "I look at you and I see my world. In your eyes I see a sparkle that shines brighter than all other stars. Holding you and kissing you takes me to worlds meant only for you and I. I feel it every time I see you, I feel it every time I talk to you, I feel it every time I'm near you. It is a feeling I want to feel forever." He continued and said how much affection and respect he had for her. How he admired her and cared for a great deal for her. How beautiful and lovely she was to him. He then fumbled through words he himself could not understand, but he knew. He explained again how difficult it seemed to express himself. He smiled and said it was something he doesn't say everyday nor to anyone. She told him she had already figured that one out and they both laughed. She wasn't going to make it easy for him though, he had to say it. He either would say it or someone else would say it later and a new search would have to begin. After a moment he uttered the words that were in his mouth from the moment he saw her that day. Simple? Yes, so simple yet so hard. He didn't have to get down on one knee; he didn't need a candlelit dinner, nor moonlight. He needed only three things, well actually four things; himself, the will, the commitment and of course the answer. Now he had three, and presented them. The fourth would be becoming. Miss. Aries, I Love You. Will you marry me? The fourth necessity was now in her hands.

#### **4. ONE LOVELY SONG**

One lovely song I want to sing  
Happy times I wish to bring.

One small poem I want to write  
Many dreams with you in sight.

One short story I want to tell  
Many ideas that sound so well.

One soft hand I want to hold  
Many smiles so bright and bold.

One smooth tender body I want to embrace  
Many sweet kisses I wish to taste.

One true love is all I need  
Many beautiful flowers not a single weed

One lifetime partner to be at my side  
Many experiences for us both to ride.

One special lady I want to be mine  
For now and for always, 'till the end of time.

*©RAB 1986 January*

## **5. ALWAYS THERE**

The mind is always there,  
The dream is always there,  
The hope is always there  
Just as water and the air.

The understanding is always there,  
The wait is always there,  
The time is always there  
For both of us to share.

The heart is always there,  
The feeling is always there,  
The thought is always there  
With many things to hear.

The touch is always there,  
The softness is always there,  
The hug is always there  
To chase away your fears.

The affection is always there,  
The devotion is always there  
For it's all so sweet my dear...

I care, I care, I care!

## **6. THE WINKING HEART**

The winking heart fluttered into the world  
With sparkling brown eyes  
He gave a smile and then a wink  
To everyone's surprise.  
And then he looked around this earth  
At all the people's frown  
Until he spotted one fair lady  
Amongst the huge old crowd.  
This lady had soft tender skin  
And a smile for all to see  
Her eyes were sparkling just like his  
He laughed a delightful glee.  
His body swelled up full of life  
And he turned a luscious red  
One expected another wink  
But he kissed the lass instead.  
The kiss was sweet and delicious  
And the heart began to pound  
He stepped back and looked at her  
Without one single sound.  
One was expecting more than from his heart  
But for now he said he's through  
He smiled and winked and said to her  
Here's winking at you!

## **7. I WANNA A HUGGA**

a look means one thing  
so does a kiss on the mug  
but if you ask me for the best thing  
i'll say it's a hug

a hug has warmth  
a hug has feelings  
a hug shows patience  
a hug shows caring

it means i like you  
it means i love you  
it means i've thought about you  
it means i miss you

it more than a smile  
it's more than a kiss  
it's so many things  
yet it's much more than this

it's free of charge  
and it's yours for keeps  
it never a minus anything  
it adds in leaps

so whenever i'm near you  
and you know a see ya  
there's that thought in my head  
i wanna a big hugga

**8. ALL I SEE...**

The sun rises to start the day  
As time continues on it's merry way.  
AND ALL I SEE IS YOU.

Breakfast is served on the morning table  
People eat as they read news and labels.  
AND ALL I SEE IS YOU.

The work of some now begins  
It will continue until the very end.  
AND ALL I SEE IS YOU.

Green, yellow, red go flash  
Assorted colors all go past.  
AND ALL I SEE IS YOU.

A train roars on by  
The planes all gracefully fly.  
AND ALL I SEE IS YOU.

I See Your Shining Beauty  
I See Your Loving Smile  
I See The Days Of You And Me  
Forever And All Time.

Noon time is near  
Which means lunch time is here.  
AND ALL I SEE IS YOU.

Some babies start to cry  
Yet no one knows why.  
AND ALL I SEE IS YOU.

The children all play  
In their make-believe way.  
AND ALL I SEE IS YOU.

I See Your Shining Beauty  
I See Your Loving Smile,  
I See The Days Of You And Me  
Forever And All Time.

The seasons all past  
The weather just lasts.  
AND ALL I SEE IS YOU.

The autumn will begin  
While the spring starts to sing.  
AND ALL I SEE IS YOU.

The winter brings it's snow  
The summer has it's glow.  
AND ALL I SEE IS YOU.

I See Your Shining Beauty  
I See Your Loving Smile,  
I See The Days Of You And Me  
Forever And All Time.

The evening comes rolling in  
Dinner can now begin.  
AND ALL I SEE IS YOU.

The VCR plays a movie  
The turntable turns out a goodie.  
AND ALL I SEE IS YOU.

Computers click out their data  
The video games move faster and faster.  
AND ALL I SEE IS YOU.

Televisions are on to see  
A game to play or a book to read.  
AND ALL I SEE IS YOU.

I See Your Shining Beauty  
I See Your Loving Smile,  
I See The Days Of You And Me  
Forever And All Time.

Night time has fallen  
Sleep will now beckon.  
AND ALL I SEE IS YOU.

The stars shine bright  
While the moon gives light.  
AND ALL I SEE IS YOU.

Dreams are forever  
Nightmares are never.  
AND ALL I SEE IS YOU.

All is quiet and calm  
While one tiny candle slowly burns.  
AND ALL I SEE IS YOU.

I See Your Shining Beauty  
I See You Loving Smile,  
I See The Days Of You And Me  
Forever And All Time

The day has ended.  
AND ALL I SEE IS YOU.  
The night has ended.  
AND ALL I SEE IS YOU.

ALL I SEE IS YOU.

ALL I SEE.

into a bowl of hope.  
Add understanding and  
loving, then gently stir.

Cook : Bake mixture with respect  
and devotion until crying  
has evaporated. Let cool  
in happiness and  
laughter. Top with  
loveliness and kindness  
mixed with hugs and  
kisses.

Serve : Treat gently with  
tenderness, love and  
cooperation forever.  
Only one lovely, soft,  
smooth, delicious helping  
per person.

## **12. AND THEY CALL THIS LOVE**

Once in the mind of men there exists the woman of all his dreams. Once in the mind of many a women, there exists the man of all her dreams. If and when these two dreams meet there is no longer a dream, but a reality. And they call this LOVE.

If you can say I am sorry within your heart and forgive within your soul, then it is yours. If you can listen when you are tired as a dog, then it is yours. If you will be there with that shoulder to cry on and to lend a hand, then it is yours. And they call it LOVE.

It is something special. It is something personal. It is something to be shared. It is strength. It is courage. Family and friends receive it, but there is one that makes it worth more than anything else. And they call it LOVE.

Time can not stop it, but it can make it grow. Fears can deter it, but it is never destroyed. Distance may separate it, but it pulls people closer. It lasts forever and then some. And they call it LOVE.

There are many words used : care, concern, respect, tenderness, kindness, cooperation, understanding, admiration, sharing, listening, devotion, gentleness, cherish. And they call it LOVE.

It can come out of friendship. It can come at first sight. Once it is here it starts growing and growing into the most beautiful thing ever. And they call this LOVE.

That look in one's eye. That look when eyes meet. That smile. That laugh. That gentle touch. That tender kiss. That tight hug. That warm feeling. And they call this LOVE.

This is what I feel for you. This is how I think about you. Describe it? I can not. It is there, and growing stronger day by day. Yesterday, today and tomorrow. Always and forever. And they call this LOVE.

### **14. TEDDY BEARS, ROSES, HEARTS AND YOU**

The teddy bear, so soft and cuddly, I give to you to hold and think of me.

The rose I give represents the sweetness that is you.

The heart is my own and represents the love I have for that keeps growing everyday.

## **15. ALL THESE THINGS AND MORE**

As sweet as a rose  
as warm as the sun  
as gently as a breeze  
as lovely as the sunset  
as soft as a cherry moon  
*All these things and more...*

The taste is sweet  
the eyes are warm  
the touch is gently

## 16. WORDS FOR THOUGHT

*The almighty pen  
The moving speech  
Both with the words for expression  
Any words?*

*peace : freedom from war and conflict  
and what we need  
happiness : glad and content  
and all I want for you  
caring : having a fondness for  
and for you I have it all  
understanding : knowing the significance of  
and you are significant to me  
respect : honor and consideration  
and to you I give the highest possible  
devotion : dedication  
and all for you forever  
hug : embrace  
and yours are always welcome  
kiss : touch gently the lips with affection  
and yours are always sweet  
affection : loving  
and mine is great for you  
caress : a loving touch  
and yours will forever be on my mind  
passion : intense emotion  
and mine grows with every passing day  
love : all of the above  
and my heart for only you*

*But without feelings words are but letters  
With feelings there are words for thought  
And the strongest three words around  
Is what I give to you*

*I Love You*

*Now those are words for thought!*

## **17. MY HEART IS YOURS**

Roses are sweet  
But not sweeter than your lips.

Wine is fine  
But none finer than you.

The stars shine  
But none brighter than your smile.

The universe is infinite  
But not as infinite as my love for you.

I look up at the bright full moon  
And watch it's beauty shine.  
I wish upon the lonely star  
For only you and I.

I dream of all the good things  
That past the test of time,  
And all the things that will come true  
If only you'll be mine.

*©RAB 1987 February*

**18. "LIVE AND LOVE"**

As the last days near  
I think about all the things that were not done.  
I think about all the things that could have been.  
The good times never had,  
The bad times never shared,  
The love never given.

Yes, as I reflect all seems negative,  
Yes, nothing was gained nor accomplished,  
Yes, all things were not, could have been or should have been.  
But the portion I hold in my heart is very different.  
It is a memory that gives me strength to survive,  
For without it I too would disappear.

It is about good times and fun times.  
It is about sharing and caring.  
It is about holding and confronting.  
It is about being there when needed.  
It is about giving when I have no more to give.  
It is about love and understanding.  
It is forever strong and never weak.

A life and a love lost are strong forces indeed,  
An emotion of sadness and depression.  
But they both leave the best part in the heart,  
All one has to do is find it among the rubble.

It is the will to live and love again!

*©RAB 1987 May*

**19. DID ANYONE EVER TELL YOU?**

*Did anyone ever tell you  
How beautiful you are?  
So stunning and lovely  
Just like a big bright star.*

*Did anyone ever tell you  
That in any high full moon?  
If you will be the pretty dish  
I'll be your loving spoon.*

*Did anyone ever tell you  
You do not need a clue?  
For one thing that is certain  
Is I'll always love you.*

*Did anyone ever tell you  
How much you're really missed?  
When you're not around me  
You're the first thought on my list.*

*©RAB 1987 June*

**20. ALL WITHIN REACH**

Reach for the stars,  
And they will shine.

Reach to give others,  
And many you shall receive.

Reach for the joy,  
And all will smile.

Reach to hold,  
And your touch will be welcomed.

Reach for knowledge,  
And you will have wisdom.

Reach for LOVE,  
And you will have it all.

#### 1. PASSIONS

THINK IT.....PASSIONATELY  
 DREAM IT.....PASSIONATELY  
 WANT IT.....PASSIONATELY  
 TOUCH IT.....PASSIONATELY  
 HOLD IT.....PASSIONATELY  
 FEEL IT.....PASSIONATELY  
 SAY IT.....PASSIONATELY  
 DO IT.....PASSIONATELY  
 FOR ALWAYS.....PASSIONATELY  
 FOREVER.....PASSIONATELY  
 LOVE.....PASSIONATELY

#### 2. IT IS...

If there is anything to hold onto,  
 If there is anything to always have,  
 If there is anything to keep trying for,

If there is anything that can be shown in different ways,  
 With all ways just as equal,  
 That is it.

If there is anything that gives as much as it receives,  
 If there is anything stronger than life itself,  
 This is it.

It is powerful,  
 It is wonderful,  
 Between two it can be everlasting.

It is for you,  
 It is for me,  
 It is for us,  
 It is love.

*©RAB 1988 January*

### **3. YES, I'M A DREAMER**

I'm a dreamer and I do believe...

I believe in one woman, one man  
I believe in love at first sight  
I believe that hope can burn a fire  
I believe that marriage is a partnership  
I believe that dreams do come true.

Yes, I'm a dreamer and I do believe...

I believe that you and I shall be together  
I believe that you and I shall have a love that's everlasting  
I believe that you and I shall be joined as one  
I believe that you and I shall...

Yes, I'm a dreamer  
And I do believe!

#### **4. LOVE BUBBLES**

There are bubbles that form in us all  
And forever they urge to be released  
Only one person can release these bubbles  
Only one can bring these heart shaped forms out.

They are love bubbles  
And you feel them churning inside  
When that person is near you  
Building up to the most significant feeling ever.

Some are afraid to let these bubbles surface  
This is because bubbles can sometimes burst  
But for many others allowing them to stay inside  
Can make things only worst.

As for me, my love bubbles are overflowing  
Floating all over for one  
One as lovely as you,  
One as caring as you.

So take my love bubbles and I'll take yours  
And together the bubbles will be strong as one  
Keeping the love between us  
Forever.....Everlasting.....Flowing.....And Bubbling

## **5. UNTIL YOU**

I had never seen anyone with such beauty and loveliness,  
Until I saw you.

I had never heard a voice so sweet and gentle,  
Until I heard you.

I had never felt a hug so close and warm,  
Until I hugged you.

I had never felt touch so smooth and fine,  
Until I felt yours.

I had never had a kiss so sweet and delicious,  
Until I kissed you.

I had never felt love before with such ecstasy and passion,  
Until I fell in love you.

I had never said I Love You with such devotion and affection,  
Until I said it to you.

I had never asked anyone to marry me,  
Until I asked you.

I had never wanted to make love to anyone with such desire and thirst,  
Until I wanted you.

NEVER...such beauty, gentle voice, warm hugs, smooth touch, delicious kisses, sweet love...  
UNTIL YOU.

## **6. DAWN HAS RISEN...**

In a black sea I have lived,  
In a hole with no design or purpose;  
Then the skies opened up,  
The sea became anew;  
and I met YOU.

Since then my awoken hours have direction and purpose.  
My dreams are filed with erotic passions;  
And YOUR lovely present is all I yearn for.

The earth is once again a warm place to be.  
Hope as new meaning;  
And YOU bring pleasure to my starved emotions.

YOU have awoken the sun in me,  
YOU have warmed my soul and body,  
YOU have let loose a sea of love,  
YOU have been the source of sweet dreams.

Dawn has risen,  
    And because of YOU, it is bright.  
        May the new day bring more.

*©RAB 1988 June*

## **7. TAKE ME, I'M YOURS**

Take my eyes  
And let me see your stunning beauty.

Take my ears  
And let me hear the sweet sound of your voice.

Take my lips  
And let me dream about you day and night.

Take my hand  
And let me feel the softness of your skin.

Take my body  
And let me experience the wonders of your warmth.

Take my heart  
And let me feel the passions of your love.

Take my love  
And let me stand by your side.

Take me  
I'm yours.

*©RAB 1988 June*

## **8. AGES OF WONDER**

This is the age of wonders  
And we cheer for all these glorious things,  
A salute to all the marvelous wonders  
From the dead of winter to the life of spring.

To the Grand Canyon  
And the Lady Liberty Statue,  
To the Pyramids in Egypt  
And then to you.

To the little microchip  
And the huge space shuttle,  
To the mysterious Easter Island  
And then back to beautiful you.

To the spinning CD  
And the video tube,  
To the World Twin Towers  
And again to the marvelous you.

There are many wonders in this age,  
And wondrous marvels too.  
But, there is no other wonder,  
As the wonderful, marvelous you.

## **9. TICK-TOCK**

Tick-tock...  
Time goes on.

Tick-tock...  
The heart beats.

Tick-tock...  
Love flows.

Tick-tock...  
I wait.

Tick-tock...  
A dream beckons.

Tick-tock...  
Time to believe.

Tick-tock...  
Time to take chances.

Tick-tock...  
Time to feel again.

Tick-tock...  
Time to love again.

Tick-tock...  
I wait.

Tick-tock...  
Time goes on.

Tick-tock...  
I wait.

Tick-tock...  
Time goes on.

Tick-tock...  
Time runs down.

Tick-tock...  
Tick-tock...  
Tick...

## **10. IT'S NOW TIME FOR...**

From the first time I saw you  
    It was time for kindness.  
From the first time we smiled  
    It was time to wonder.  
From the first time we talked  
    It was time for understanding.  
From the first time we laughed  
    It was time for friendship.

Then came a passage of time,  
A time without knowing or discovering.....  
Until Now.

It's now time to look again.  
It's now time to smile, talk and laugh again.  
It's now time for holding hands.  
It's now time for hugs and kisses.  
It's now time for ecstasy and passion.  
It's now time for LOVE.

## **11. PIECES OF A DREAM**

A bright smile and a pleasant grin  
A soft touch and a gently stroke  
A tight hug and a sweet kiss  
A smooth body and a delicious smell  
A warm heart and a hot love  
Pieces of a dream  
Dreams of you.

## **12. TIME HAS A WAY**

TIME HAS A WAY...

...OF ALWAYS MAKING THE SUN SHINE  
...OF ALWAYS MAKING IT RAIN  
...OF ALWAYS BRINGING DAY  
...OF ALWAYS BRINGING NIGHT  
...OF ALWAYS ALLOWING THE RIVER THE FLOW  
...OF ALWAYS FINDING THE GUILTY  
...OF ALWAYS FREEING THE INNOCENT  
...OF ALWAYS MAKING PEOPLE HAPPY  
...OF ALWAYS MAKING PEOPLE SMILE  
...OF ALWAYS MAKING PEOPLE LAUGH  
...OF ALWAYS BRINGING THE RIGHT TWO TOGETHER  
...OF ALWAYS FINDING LOVE  
...OF ALWAYS MAKING TIME MOVE FORWARD  
...OF ALWAYS MAKING YOU WAIT

YES, TIME HAS A WAY.

### **13. HOW IT CAME**

Years before it came,  
There was a plan  
And a destiny.

Months before it came,  
There was imagination  
And fantasies.

Weeks before it came,  
There were dreams  
And hope.

Days before it came,  
There was excitement  
And anticipation.

Moments before it came,  
There were butterflies  
And good feelings.

What came?  
That's up to you!

*©RAB 1990 January*

## **14. DARK CLOUDS**

Dark clouds mean rain  
Dark clouds mean frowns  
Dark clouds mean sadden faces  
Dark clouds mean chaos  
Dark clouds mean worry  
Dark clouds mean confusion  
Dark clouds mean struggles  
Dark clouds mean pain  
Dark clouds mean suspicions  
Dark clouds mean unhappiness

But remember that dark clouds  
Will bring rainbows and sunshine -  
A silver lining and a new life  
Await beyond the clouds.  
Be patient with the clouds.

*©RAB 1990 June*

## **15. IT'S NOT JUST...**

IT'S NOT JUST WISHFUL THINKING  
THAT YOU'RE ALWAYS IN MY DREAMS.

IT'S NOT JUST WISHFUL THINKING  
THAT I LOVE YOU MORE IT SEEMS.

IT'S NOT JUST WISHFUL THINKING  
THAT YOU MAKE MY WHOLE HEARTLY.

IT'S NOT JUST WISHFUL THINKING  
THAT I YEARN FOR YOU INSIDE.

IT'S NOT JUST WISHFUL THINKING  
THAT WE CAN BE A PAIR.

IT'S NOT JUST WISHFUL THINKING  
TO HAVE A LIFE TO SHARE.

IT'S NOT JUST WISHFUL THINKING  
THAT ALL OUR DREAMS COME TRUE.

IT'S NOT JUST WISHFUL THINKING  
IT'S JUST ME AND YOU.

*©RAB 1990 October*

## **16. REFLECTIONS**

Missed opportunities and slow reactions  
The story of a troubled-soul  
Care-free and worry-free  
Is what I see

Problems --- Just a word  
Problems mainly occur because of mistakes  
Little ones are easily corrected  
Big ones are tough

If given a second chance  
Life would not be the same  
Opportunities would be grabbed  
Moments seized

Life would no longer mean misery  
But vigor, anticipation  
Appeal and drive

The long road has many paths  
I've been on the wrong road  
Time to return to the intersection  
And follow original path

A path to your door  
God has granted me a second chance  
The road seems clear...

Will the road and the door remain open  
Or will closed doors and roadblocks lead me elsewhere  
A continuing journey to find a new peace  
A new happiness....With You.

*©RAB 1990 November*

## **17. LIFE OF A KISS**

Pucker-up.....Here it comes.

Remember the first kiss  
The sweet delicious taste  
The anticipation of more to come.

It started as a thought and a dream  
It started as a nervousness and a wanting  
It started quickly and abruptly.

It ended solid and real  
It ended with butterflies and sparks  
It ended slow and easy.

A kiss hello  
A kiss good-bye  
A kiss good night.

A quick friendly kiss  
An easy loving kiss  
A long passionate kiss.

Each one is smoother  
Each one is sweeter  
Each one is more delicious.

Each one gets better  
The first one is special  
The first kiss started it all.

So pucker-up...here it comes again!

## **2. WHAT IF.....**

What if everyday was spring  
    And the air was fresh and clean.  
What if you and I were together everyday.

What if time could be stopped  
    And all wonderful memories last longer.  
What if you and I had met at another time.

What if world harmony could be achieved  
    And all people live in peace.  
What if you and I began a family.

What if the rainbow always sparkled in the sky  
    And the clouds stayed away.  
What if you and I shared the ecstasy and passion of love.

What if everyone were judged for who they are  
    And looks, wealth and dress were of no concern.  
What if you and I intimately shared our dreams.

What if life was always fair  
    And racism, poverty and hunger never existed.  
What if you and I had a lifetime to share.

What if you and I.....?  
What can you and I.....?  
What will you and I.....?

### **3. THE FULL MOON**

New moon, quarter moon, half moon, FULL MOON

Shiny and bright --- as it lights the night

It brings thoughts and transformations

Thoughts of...

Your shining smile

Your cheerful charm

Your warm wit

Your lovely laugh

Transformation of...

Strangers to acquaintances

Acquaintances to friends

Friends to admirers

Admirers to lovers

Oh what a FULL MOON brings...

Its thoughts and transformations are...

Like You...A bright spot in the vastness of life.

#### **4. THE SMILE THAT ADORES YOU**

A quick wink  
And a soothing stare,  
As the eyes light up  
You better beware.

It's gonna come slowly  
You may not see it at first,  
But it will be there  
For better or worse.

It's bright and cheerful  
And it goes from side to side,  
And many times it may seem  
To go on and on for miles.

It's the smile that adores you  
Forever and a day,  
It's the smile that thinks you're special  
In every single way.

So when you see me smiling  
Especially at you,  
Just give me a little smile back  
And you'll get that quick wink too.

*©RAB 1991 September*

## 5. "NONE"

From head to toe  
    There is none so bright.

From shore to shore  
    There is none so kind.

From side to side  
    There is none so wonderful.

From top to bottom  
    There is none as sweet.

From left to right  
    There is none so lovely.

From now to forever  
    There is none like you.

    Strong as the unmovable mountains.

Dark Beauty with knowledge and power  
    Efficient as the shining stars.

    Wise as the whispering waters.

## **9. THE BEST MEDICINE**

When you're feeling lonely  
You need the best medicine around.  
When the world seems all against you  
You need the best medicine found.

When you feel all hope has disappeared  
You need the best medicine money can't buy.  
When all else fails  
You need the best medicine to try.

The Best Medicine is the person who listens to your gripes,  
And makes no judgments about decisions on your life.

The Best Medicine is the person who will always be there,  
Through all time, good, bad, funny and fair.

The Best Medicine is the love and friendship shared,  
Between two people who really much care.

The Best Medicine is past, present and future times too,  
The Best Medicine is all the times spend with you.

## **11. FALLEN LOVE**

The love has fallen.  
But...  
Hope for a new mutual love grows.

The love has fallen.  
But...  
A new love is waiting with open arms.

The love has fallen  
But...  
The heart still beats with what could be.

The love has fallen.  
But...  
The friendship is still alive and warm.

The love has fallen.  
But...  
The real love still goes on, and on, and on, and on...

## **12. STILL IN LOVE**

As the time pasts by  
As the birds do fly

As the water wades  
As the picture fades

As the lightning strikes  
As the endless sights

As the canary sings  
As the bluebird's wings

As these things and more  
As a wide open door

Yes, indeed, as the full moon up above  
I'm still in love.

*©RAB 1992 June*

### **13. AFTER ALL THESE YEARS**

One would not think I would still be around  
After all these years

One would have thought I had given up  
After all these years

One would have thought my heart had grown weary  
After all these years

One would think a new throb would beat  
After all these years

One would suspect that it is totally impossible  
After all these years

One would guess hope had no place  
After all these years

One would imagine an end to the fire  
After all these years

Well.....  
You're all wrong!  
After all these years ----  
I still believe.

## **14. "MY FIVE SENSES"**

### *I SEE YOUR BEAUTY*

As a sight for sore eyes  
And all your body radiates.

### *I HEAR YOUR VOICE*

As a soft whisper  
And I listen closely  
To your every word.

### *I SMELL YOUR SWEETNESS*

As a lilac in bloom  
And your fragrance  
Takes my breath away.

### *I FEEL YOUR TOUCH*

As warm and gentle as a feather  
And it's like the pillow  
I lie on every night.

### *I TASTE YOUR KISSES*

As I would smooth rich chocolate  
And I melt  
In the wake of the heat.

©RAB 1992 August

**15. "RICHES"**

as bright as the moon  
as wonderful as the seas  
as pure as gold  
as strong as steel  
as shiny as silver  
as deep as platinum  
as smooth as silk  
as sweet as chocolate  
as luscious as ivory  
as dark as ebony

if but I had a choice of all the riches in the universe,  
YOURS would be the only richness I would desire.

**16. EVERLASTING AND UNDERSTANDING**

It happened one day. It would be everlasting.  
It happened one night. It would be everlasting.

Pain and turmoil. Suffering and anguish. But always understanding.  
Mistakes and headaches. Trials and tribulations. But always understanding.  
Bumps and bruises. Lies and lost faith. But always understanding.  
Passions and jealousy. Sex broken hearts. But always understanding.  
Times lost and times forgotten. Feelings and schemes. But always understanding.

It would be everlasting. With all the understanding.  
Love takes a long time to die. But true love can never escape.  
It takes a lot of understanding and forgiving.  
But in the end it is everlasting.  
It happened one day. Together always. It will be everlasting.

### **1. IN MY DREAM**

Now I lay me down to sleep...  
Ahhhhhhhh to dream.

In my dream I see you and me,  
together

In my dream I feel your smooth skin,  
and the warmth of your flesh

In my dream I taste our luscious kiss,  
and your sweetness

In my dream I sweat with full excitement,  
and expectation

In my dreams I see you and me embrace,  
our bodies entwined

In my dream we make passionate love through the night,  
and continue at dawn

Now I awake,  
the erotica is replaced by reality

Now can the two become one?

Now I lay me down to sleep.....  
In my dream or my reality?

## 2. FIRE AND ECSTASY

It started out small  
As all things do  
We didn't know what the future held for us two  
We were just friends  
Just as true as can be  
But our love came alive and it burns so free

Our love is Fire and Ecstasy  
Our love is Fire and Ecstasy  
Our love is Fire and Ecstasy, can you feel it burning?  
Our love is Fire and Ecstasy  
Our love is Fire and Ecstasy  
Our love is Fire and Ecstasy, and it's forever?

Friends from the start  
We gained strength from our heart  
The times we spend together are very special  
Until you came to past  
That we could be more than we were  
It was love that opened our eyes at last

Our love is Fire and Ecstasy  
Our love is Fire and Ecstasy  
Our love is Fire and Ecstasy, can you feel it burning?  
Our love is Fire and Ecstasy  
Our love is Fire and Ecstasy  
Our love is Fire and Ecstasy, and it's forever?

BURN! BURN! BURN!  
HOT!! HOT!! HOT!!  
FIRE!!! FIRE!!! FIRE!!!  
LOVE!!!! LOVE!!!! LOVE!!!!

Our love is  
Fire and Ecstasy, Fire and Ecstasy, Fire and Ecstasy, Fire and Ecstasy  
Our love is  
Fire and Ecstasy, Fire and Ecstasy, Fire and Ecstasy, Fire and Ecstasy  
Our LOVE is forever.....

**3. EROTIC TALES**

Being that I see you in my dreams,  
Why not make it a reality.

Being that your skin is so smooth,  
Why not let me rub it all over.

Being that your touch is so tingling,  
Why not bring it to an ecstasy.

Being that your hug warms the body,  
Why not get it hot.

Being that your kiss is so sensual,  
Why not sense me up.

Being that my heart is yours,  
Why not love me.

**5. IT HAPPENED ONE MOONLIT NIGHT**

1

It happened one moonlit night.  
The light was very bright  
And dinner was served by candlelight.  
The conversation was curious  
The eating pace furious.

2

It happened one moonlit night.  
The dessert was enchanting  
The time everlasting.  
The glasses twinkled  
As their lips tingled.

3

It happened one moonlit night.  
As they sat down near  
Their eyes did meet with all to bear.  
Her arms around him was the best  
His hands on her legs to hold and caress.

4

It happened one moonlit night.  
The soft music played through the air  
There was not nearly a second to spare.  
The fireplace kept burning  
While their emotions were urging.

5

It happened one moonlit night.  
The talk was mental  
The kisses very gentle.  
Their skins were smoothly rubbed  
The time was ripe for love.

6

It happened one moonlit night.  
The massage was slow paced.  
As they kissed every luscious place.  
The energy was soaring  
Their passions roaring.

7

It happened one moonlit night.  
Their hands did roam  
The tongue licked in tune to the gently moan.  
Their heighten arousal would soon be there  
As time and matter had nothing to spare.

8

It happened one moonlit night.  
Their bodies did clash  
Entwined in a passionate mash.  
The rush was chaotic  
Their love making erotic.

9

It happened one moonlit night.  
Their peaks were reached with ecstasy  
Their love stood forth for all to see.  
And when it was done and did  
They snuggled up in bed.

10

It happened one moonlit night.  
I turned over to the sun's gleaming  
Could it be I was only dreaming?  
Well let me pull over my spread  
So that I may dream again.

## **6. KINKY AND EROTICA**

Kinky and Erotica smiled at each other  
They could feel it in the air.  
Their tongues met with passion.  
There was no time to spare.

Kinky licked Erotica's back as his nature did raise  
Erotica stroked his thing as her box filled with pride.  
Kinky sucked on Erotica's sweet bosoms.  
As Erotica could only moan.

Kinky rubbed Erotica's sensual thighs  
Erotica wanted him inside.  
Kinky licked Erotica's juices.  
Erotica just sighed.

Their foreplay had ended  
As Kinky entered Erotica and began to push.  
Erotica felt Kinky's nipples.  
As she moved to the smooth rhythm of his rod.

Kinky could feel her deep down deep  
Erotica moaned for more.  
They bodies soon shook  
As their desires heighten.

Their passions finally exploded  
As the time had come.  
Kinky squirted and Erotica flowed.  
Their juices colliding inside her hole.

Kinky and Erotica held each other tight.  
It had been sheer ecstasy.  
Their hot love and burning passion had delivered.

And they were very sure.  
This was only the beginning.  
There would be more to come.

## **7. QUIVER**

It all makes me quiver

The look of your eyes  
The glow of your smile  
Quiver

The warmth of your touch  
The feel of your hand  
Quiver

The tightness of your hug  
The taste of your kiss  
Quiver

The ecstasy of your love  
The joy of forever  
Quiver

It all makes me quiver  
ALL OVER - OOH!

## **8. HARD TIMES**

it was a soft lonely night  
the cold wind was blowing  
there was no hope in sight  
those were the long days and weeks

until finally...  
the vision arrived  
and the hardness rose  
to its greatest heights

the vision was warm  
and wet all over  
the vision had come  
with this union in mind

they both joined forces  
as the sparks flew 'round  
strokin', lickin', suckin' and pushin'  
you could hear only sighs

at the peak of ecstasy  
both parties did quake  
until all the natural juices  
had flowed between them

then the hard times were over  
the soft one relaxed  
the vision calmed down  
the wait was now for the next round.

## 9. PUMPING RHYTHM

I SAW THE LOVELIEST IN YOUR EYES  
AND BEFORE I KNEW IT, IT WAS TRUE  
LOVE CAME SWIFTLY AND DECISIVELY  
THE ENERGY FLOWED THROUGH  
ALL AT ONCE THE BODY SWELLED  
TO THE POINT OF TOTAL EXCITATION

YOU SAW AND YOU KNEW  
THAT ONE DAY IT WOULD BE  
LOVE WOULD SPRING OUT  
AND IT WOULD ALL COME  
YOUR JUICES FLOWED  
AS YOUR AROUSAL OVERCAME YOU

WE BOTH WERE TOGETHER NOW  
SO THERE WAS NOTHING LEFT TO DO  
BUT PUT ALL THIS HOT ENERGY  
TO REALLY GOOD USE  
SO WE JOINED TOGETHER  
AFTER WARMING UP FURTHER

INTO A PUMPING RHYTHM  
WE FINALLY WENT  
OOHING AND AAHING  
IT WAS HEAVEN SENT  
OUR PASSIONS HAD EXPLODED  
AS A RAGING VOLCANO ROARED

IT WAS SO CLIMATIC  
SO PULSATING AND ECSTATIC  
IT WAS FELT ALL OVER AND OVER AGAIN  
BUT IT HAD TO END AT A POINT  
FOR THE ENERGIES TO RECOVER  
JUST A TIME OUT WAITING FOR A NEW RHYTHM TO DISCOVER.

### **13. TOSSING AND TOSSING**

Tossing and Turning  
No drinking, no smoking  
That's the way to do it naturally.

It begins with a whisper and a kiss  
Then it becomes licking and sucking  
Caressing and feeling it, naturally.

Then there is the entry  
The connection of hard and wet  
Brought together, naturally.

Now the pushing begins  
With the tossing and turning  
Ecstasy and passion, naturally.

It ends with a hard thrush  
And moaning in pleasure  
Juices flow, naturally.

There also can be tossing and turning  
From restlessness and sleepless nights  
Not as pleasurable by still, natural.

Sleeping and dreaming  
Thinking, not doing  
It all comes, naturally.

Which is the preferred  
Tossing and turning  
Simple, the one that comes more, naturally.

I miss doing things with you...

I miss eating with you

I miss disagreeing with you

I miss sitting with you

I miss looking at you

I miss going places with you...

I miss seeing movies with you

I miss eating out with you

I miss walking with you

I miss weekends with you

I miss loving you...

I miss feeling your warmth

I miss kissing you

I miss making love to you

I miss the passion and fire

I missed them without ever knowing

Until now

Time heals all wounds

I miss will be no more.

## **2. I DREAM OF...**

I dream of you  
at night and in day

I dream of looking at you from head to toe again  
I dream of holding you tightly in my arms again  
I dream of walking hand-in-hand with you again  
I dream of rubbing your back and tummy again

I dream of hearing your voice say sweet things to me  
I dream of tasting your luscious tongue  
I dream of kissing your tender fingers  
I dream of feeling your smooth thighs and legs

oh I lay down and dream  
oh I sit down and day dream  
I dream only of you  
if I can only have you in my dreams...  
then let me dream forever.

### **3. JUST A TASTE**

It was just a taste,  
    that I asked for,  
        a small little taste.

A taste of something so desirable.  
    A taste of something so unique.  
        A taste of something sweet.

A delicious taste.  
    A luscious taste.  
        A passionate taste.

It was just a little taste,  
    but it had all the love behind it,  
        True love.

I just asked for a taste...  
    Soon I'll want a meal...  
        A big meal.

## **5. ON ONLY ONE**

My sun shines  
    On all who smiles  
My moon rises  
    On all who sees  
My heart beats  
    On only one.

My hand shakes  
    On all who care  
My ears listen  
    On all who speaks  
My touch feels  
    On only one.

My eyes stare  
    On all who come  
My tongue tastes  
    On all who cooks  
My love nourishes  
    On only one.

My feelings,  
    My thoughts,  
        My life,  
            On only one.

I can not fly like a bird

But I can make you feel high.  
Guaranteed.

I can not swim like a fish  
Nor wade like a duck  
But I can glide you through rough waters.  
Guaranteed.

I can not sing like a canary  
Nor harmonize like the crickets  
But I can listen to all your thoughts.  
Guaranteed.

I can not be all things  
At all times  
But our friendship makes it all possible.  
Guaranteed.

Only my whispers and my touch  
Can reach your inner self  
Only the care and promise  
Can be forever.  
Satisfaction guaranteed.

Only my words and feelings convey  
The way I can be  
Only with all my heart  
Can I give you love.

## **7. NOT JUST ANOTHER MOTHER**

What makes a mother?

A child.

What makes a good mother?

A well rounded child.

What makes a special mother?

A child's love.

But, when you're a friend and companion...

When you're a ear to listen...

When you're a heart filled with love...

You are...

Not just another mother

You are really something extra special.

## **8. A QUALITIVE SEARCH**

As I lift my head up  
Above the clouds  
Away from the storm  
My mind opens up  
To a heart  
Still searching...

Searching for strength and wisdom  
Sensitivity and warmth  
Playfulness and sexiness  
Demanding and caressing  
Gentleness and kindness  
Charm and silliness...

Whom forever has these  
Qualities please step  
Forward to my open arms  
I await your arrival  
Into my existence to  
Fill my heart and soul...

*©RAB 1993 July*

## **9. VIRTUAL REALITY**

If you were the horizon,  
I would be your sunset.  
If you were a cloud,  
I would be your raindrops.  
If you were a tree,  
I would be your roots.  
If you were a feather,  
I would be your breeze.  
If you were an ocean,  
I would be your island.  
If you were fire,  
I would be your heat.  
If you were a heart,  
I would be your rhythm.  
If you were my everything,  
I would be yours forever.

## **10. THE SURVIVAL KIT**

The friendship that sets  
No limits and expectations  
Throughout the years  
Will be true everlasting

The dream that moves  
Through various stages of life  
With nightmares and ecstasy  
Will last forever

The heart which holds  
A deep passion for one  
And beats unconditionally  
Will pound eternally

A love that comes along  
Without solicitation or restrictions  
Is the one that  
Will always last

The two who find all four  
Will eventually have  
All the love to  
Survive all obstacles

*©RAB 1994 November*

## **11. FOR A CHANGE**

Just once, can't the nice guys finish first  
And can't there be a silver lining without a dark cloud.

Can't it be bright before the dawn  
And can't there be gain without pain.

Couldn't there be an anti-murphy law,  
anything that can go right will go right  
And couldn't it be the calm before more calm.

Why not learn the easy way  
Why not expect the right thing.

Live happy, love happy, care happy and be worry free.  
Wouldn't that be nice for a change.  
I think we all deserve it!

*©RAB 1994 December*

## **12. WHO IS SHE?**

She begins as an idea  
And slowly grows to a reality.

She arrives with a smile  
And naked as a jay bird.

She learns to walk and talk  
And soon she can explore her world.

She learns about life skills  
And knowledge becomes part of her life.

She learns about friendship  
And trust and caring fully develop.

She learns about love  
And ecstasy and passion arrive.

She becomes a strong woman  
And takes charge of her own life.

She is the light which shines  
The hope that lives.

She is the woman all men dream of...

### **13. THE SHINING**

THE LIGHT DOES SHINE  
UPON A DARK FIGURE.  
THE FIGURE IS EBONY  
THE FIGURE IS BLACK AND SLEEK.

THE MOON DOES SHINE  
UPON A SHAPELY FIGURE.  
THE FIGURE IS SENSUAL  
THE FIGURE IS ELEGANT AND GRACEFUL.

THE SUN DOES SHINE  
UPON A LUSCIOUS FIGURE.  
THE FIGURE IS TALL  
THE FIGURE IS SLENDER AND STRONG.

THE STAR DOES SHINE  
UPON A SEXUALLY FIGURE.  
THE FIGURE IS VIVACIOUS  
THE FIGURE IS EXCITING AND EROTIC.

THE ELEMENTS ALL SHINE ON YOU.

## **14. IN FULL BLOOM**

When the sky is high and blue  
When the ocean is crystal clear

When the rivers flow to the seas  
When the mountains reach their peaks

All Will Be In Full Bloom

When the birds sing their tunes  
When the flowers spring to life

When the grass bends in the wind  
When the trees stand tall with pride

All Will Be In Full Bloom

When the heart skips a beat  
When the passions flame the heat

When the desires overcome us  
When the ecstasy has become us

All Will Be In Full Bloom

*©RAB 1996 April*

## **15. IT JUST HAPPENS TO BE**

It just happens to be  
That the world spins and the sun shines

It just happens to be  
That the rivers flow and the birds flies

It just happens to be  
That children play and adults work

It just happens to be  
That love grows and hate dies

It just happens to be  
That friends last and lovers survive

It just happens to be  
That lust craves and passion lives

It just happens to be  
It just happens to me  
It just happens to you

It just happens...

### **1. FAITH**

What do you do when all seems wrong?

I keep the faith.

What do you do when all seems lost?

I keep the faith.

What do you do when nothing is right?

I keep the faith.

What do you do when you feel hopeless?

I keep the faith.

The faith.

Faith in oneself.

Faith in the people who really care.

Faith that tomorrow will come.

Faith to live and keep trying.

Faith that happiness and peace will always appear.

What do you do when you have no answers for anything in your life?

I keep the faith.

What does a friend, love and family say to you when you are in despair?

KEEP THE FAITH. TOMORROW WILL COME.

## **2. MIDNIGHT RENDEZVOUS**

IT'S MIDNIGHT

The moon shines  
The two meet  
The eyes meet  
The lips meet

IT'S MIDNIGHT

The hands rub  
The fingers feel  
The warmth glows  
The bodies entwine

IT'S MIDNIGHT

The passion escalates  
The heat rises  
The ecstasy flows  
The moon flickers

IT'S MIDNIGHT

### **3. "AN APRIL WOMAN'S SONNET"**

Born under the stars of the April sky  
Forever linked to time and destiny  
The first of the LADIES  
And always first in beauty  
Wildly sensual, passionate and adventurous  
Loyal, sentimental and earthly.

Through eyes of strength  
And a mind of faith  
You can lead  
And all men will follow  
You can whisper  
And all men will hear  
You can breathe  
And all men can feel your wonder.

For you bring  
With you grace and charm  
All the dreams and wishes  
That have been born  
We sing to you  
With our hearts and mind  
We give love to you  
With our body and soul.

APRIL.  
AN APRIL woman.

#### **4. THE 9 PHASES OF A SEXUAL ENCOUNTER**

- Phase I:       The wait.  
                  The place.  
                  The time.  
                  Now.
- Phase II:       Lying in bed anticipating.  
                  Thinking and visualizing.  
                  How she will taste.  
                  How she will feel.
- Phase III:      The hugging, the caressing.  
                  The kissing, the fondling.  
                  The rubbing, the sucking.  
                  The hardening, wetness.
- Phase IV:      The penetration.  
                  The feeling of being inside her.  
                  The rhythmic pushing, the pelvic thrushes.  
                  The strong warm legs and the thighs encircling.
- Phase V:       Deeper, Deeper.  
                  Moaning, Ecstasy.  
                  Deeper, Deeper.  
                  Moaning, Ecstasy.
- Phase VI:      The delivery.  
                  The rush of fluids.  
                  The involuntary jerks.  
                  The high ecstasy.
- Phase VII:     The "re-hardening".  
                  The rush.  
                  Phase IV, Phase V.  
                  Phase VI.
- Phase VIII:    The hugging.  
                  The holding.  
                  The quiet.  
                  The gentle rubbing.
- Phase IX:      Next time?

## **5. NAKED BEAUTY**

As I lie naked next to you  
I see and appreciate your naked beauty  
As I gaze upon your body  
I see the fullness of all your wonder.

From Head to Toe.  
Hair so soft to the touch.  
Ears so sweet to the lick.  
Lips so luscious to the taste.  
Neck so tasty to the kiss.  
Shoulders so smooth to the stroke.  
Arms so powerful to the squeeze.  
Fingers so gentle to the feel.  
Breasts so tender to the touch.  
Nipples so hard to the tongue.  
Stomach so smooth to caress.  
Bellybutton so tasty to the lick.  
Lips so wet and sticky to the fingers.  
Buttocks so firm to the rub.  
Thighs so strong to the feel.  
Feet so delicate to the touch.

## 6. TRACK QUEEN

On Your Mark!  
*Get Set! Get Ready!*  
Fingers firm at the line  
*Feet shuffling*  
Legs stretched and anchored  
*Go!*  
She pushes from the line  
*Her feet float gracefully*  
And quickly along the dirt path  
*Her body's motion is fluid*  
With perfect symmetry  
*Dashing down the stretch*  
She breezes past her challengers  
*Arms cranking and feet moving*  
Her sleek figure glides  
*Down the track*  
She is the speed  
*Against the wind*  
She is the queen  
*Amongst princesses*  
Third place, second place  
*The tape is broken*  
And she is once again a winner  
*A track queen.*

## 7. SETTING SURF

As the breeze blows across the ocean  
The smell of trees in the air  
I feel the cool waves of dew against my face  
And I sit dreaming with the stars  
The surf and the moon  
The sand and the darkness  
I am at peace  
With the water drifting on to my naked body.

©RAB 1997 July

## 8. HOT SAND

Ouch! Ouch!  
Not just a touch.  
Wow! Wow!  
Not just a feeling.  
Curves and waves.  
I spy the beauty.  
And trend the hot sand.  
Ouch! Ouch!  
Will she smile?  
Wow! Wow!  
Will I know her name?  
Curves and waves.  
I am satisfied  
And sit on the hot sand...with a smile.

## 9. THEN, NOW & FOREVER

<^>

### Then...

You were small and stubborn,  
You were unruly,  
You were a warm heart under a rough exterior.  
Winning was the only thing,  
Your way was the only way,  
You were my friend.

### Now...

You are determined and smart,  
You are beautiful,  
You are kind-hearted and caring.  
Dedicated and loyal,  
Lovely inside and out,  
You are my best friend.

### Forever...

You will be you,  
You will be dynamic,  
You will be strong and powerful.  
You will be my heart,  
You will be my love,  
You will be my best friend.

**10. IMAGINE IF YOU WILL**

Imagine if you will  
Sweet lips for the taste  
Tender fingers for the stroke  
Smooth skin for the rub  
Now imagine  
Just for moment  
All you desire  
When you desire  
Imagine it now  
Imagine it, if you will.

*©RAB 1997 October*

**11. FOREVER SATISFIED**

One day I will be forever satisfied  
It may not be today  
It may not be yesterday  
It may not be tomorrow  
But it will be one day.

One day I will be forever satisfied  
All worthy possessions I desire will be mine  
All things worth caring for will be within in reach  
All sorrowful moments will be but a memory  
But it will be one day.

One day I will be forever satisfied  
All my erotic dreams will be reality  
I will have one true love in all ecstasy  
Love-making will be totally fulfilling  
But it will be one day.

One day I will be forever satisfied  
It may not be now  
It may not be then  
But it will be  
It will be one day.

## 12. TIMLESS SHADOW

*A timeless shadow falls  
I lament over seen  
And unseen visions  
Untold truths  
Uncertain futures  
Secrets of love and hate  
Barely able to focus  
On the importance of being  
An unsure time  
In an unsure world  
Where I stand or  
Where I fall  
It never seems to matter  
Sometimes its lonely  
Among the smiling faces  
The one true love that  
May never be  
The vision of happiness that  
Appears to be blind  
If only I can rid myself  
Of this timeless shadow.*

©RAB 1997 November

### **13. IF YOU CAN'T CHANGE IT...**

I can't change the setting sun  
I can't change the rising of the moon  
So I'll just be myself.

I can't change the way others think  
I can't change the way others act  
So I'll just be myself.

I can't change the nature of the way things are  
I can't change the who I am  
So I'll just be myself.

I can't change who I love  
I can't change how I feel  
So I'll just be myself.

I can find happiness  
I can find love  
I can find hope  
I can find peace  
By just being myself.

## **14. LATINA, LATINA**

Latina, Latina  
From head to toe.

Curly brown hair  
Full and smooth.  
Bright eyes  
Shining and glistening.  
Soft lips  
Tasteful and sweet.

Latina, latina  
From head to toe.

A full rounded neck  
To gentle shoulders.  
Smooth hands  
To tender fingers.  
Powerful legs  
To delicate feet.

Latina, latina  
From head to toe.

Just a whisper of your voice  
Just the thought of your touch  
Makes all men shiver and want more.  
Just a look in your eyes  
Just the feel of your embrace  
Makes all men smile and yearn.

Latina, latina  
From head to toe.

**15. 'A VISION OF LOVELY'**

It awakens him  
This stunning beauty  
A vision of lovely

As she walks across  
The white hot sand  
You can smell her sweetness  
Carried by the gently sea breeze

Her soft hands rise  
As if to stop the waves  
Up against the air  
Down against the sea

As you watch from afar  
She controls the elements  
The wind gusts  
And blows at her tattered slip

The air pushes the thin sleeve  
Down her tender shoulders  
The wind blows mightily  
Revealing all her curves  
Her garment hugs onto her thighs  
And vibrates between her legs

What matter of woman can this be  
As she slowly approaches you  
Leaving nearly a footprint

You sigh and open your eyes  
She is gone  
You were awoken  
But this was only a vision  
A vision of lovely

#### **4. ECHO-ING**

I echo my thoughts  
I echo my dreams  
Of the loveliest black lady  
I've ever seen.

Sweet of chocolate  
Pure as the night  
Strong and independent  
A powerful sight.

I echo my thoughts  
I echo my dreams  
Of the loveliest latina  
I've ever seen.

Sweet of brown sugar

## **5. CARIBBEAN BEAUTY**

I know a Caribbean Beauty  
From New York City  
To a little island.

I know a Caribbean Beauty  
She is wonderful to know  
And beautiful at the beach.

I know a Caribbean Beauty  
She tans and peels  
And no one does it better.

I know a Caribbean Beauty  
She is caring and forgiving  
No wonder I love her so.

I know a Caribbean Beauty  
She is a dream when I'm a sleep  
She is a dream when I'm awake.

I know a Caribbean Beauty  
She is fearless of all attacks  
No creatures great or small scares her.

I know a Caribbean Beauty  
She can be modest  
But her body is gorgeous.

I know a Caribbean Beauty  
She is without doubt  
The love of my life.

## **6. BEAUTY ON THE BEACH**

She's on the beach  
And she's a beauty.  
Dressed in a two-piece  
Or a one-piece  
She's a beauty all the same.

Her curved body  
Outshines the sun.  
Her sexy poses  
Embraces the sand.  
Her smooth skin  
Parts the water.  
She is the looker on the beach.  
She's a jaw-dropper, weak-in-the-knees,  
Can't think of anything else beauty.

Oh look at her walk!  
Oh look at her wade in the water!  
Oh look at her swim!  
Oh look at her laying on the sand!

She's a beauty.  
A beauty on the beach.

## **7. YOUR WONDERFUL SMILES**

The best part of you  
Is your wonderful smiles.  
They light up a room  
They light up the sky  
They light up my life.

The first thing I see on you  
Is your wonderful smiles.  
They show off your charm  
They show off your warmth  
They show off your sweetness.

A very unique feature  
Is your wonderful smiles.  
It makes everyone happy  
It makes all glad  
But best of all  
It makes me smile.

*©RAB 1998 May*

## **8. FEELINGS**

I fall in love really fast  
But then I stop to think  
If it's gonna last.

Because I've been heart broken  
And put into a cast.

Now I've found you  
And my heart is not broken  
I hope it stays melted and that  
You're not pretending.

I hope with all my might  
That you're really the one that's right  
And that the relationship between us two  
Was meant to be and not out of the blue.

For the simple reason  
I Love You.

*©RAB 1998 May (Y.L.)*

## **9. WHAT I WANT TO BE**

Don't be fooled by the title  
This has nothing to do about growing up  
This has nothing to do with a career  
This is a self-examination.

Do you ever sit  
And examine yourself?  
Not only who you are  
But what you want to be.

Ask yourself about yourself  
You may be surprised.  
Everything you want may be there  
Just waiting for you to find.

I sit and examine myself  
And this is what I find  
I am patient and willing to help  
Caring and capable of taking risks  
Intelligent and little bit silly  
Sensitive and nonjudgmental  
Sometimes funny yet all times serious.

My kindness is not a weakness  
But a strength to help me survive.

I am a dreamer, a hopeless romantic  
Not much a talker, but always a listener.

I want to be able to share my dreams and thoughts.  
I want to be able to exhibit my feelings and show my support.  
I want to be able to disagree, compromise and sacrifice.  
I want to be able to enjoy life, no matter what I do.  
I want to be able to see, feel, hear, touch and taste.  
I want to be able to have butterflies in my stomach.  
I want to be able to feel passion when I kiss.  
I want to be able to feel warmth when I hug.  
I want to be with one true love.  
I want to be with one real partner.  
I want to be with one everlasting soul mate.

What do I want to be?  
On self-examination  
It's very simple  
I want to be happy.

## **10. GRACIOUS GIFT**

The most gracious gift  
Is as fine as can be  
She is devastatingly beautiful  
And stunning to see.

Her soft silky skin  
Is smooth to the touch  
And her large brown eyes  
You can only love so much.

She has a round face  
And a smile that sparkles  
And just looking at her  
Can always make you tingle.

Her hair can be straight or curly  
Braided or kinky  
But no matter it's style  
It's always smells pretty.

It's a pleasure to hear her sweet voice  
And hold her tender hands  
For you can feel her courage and strength  
Throughout all lands.

She is sexy and gorgeous  
And her presence entice  
God's Gracious Gift  
Is the one named JA-NICE.

## **11. THE RED PANTIES**

They come at you  
In the dark of night  
Those red sexy undergarments.  
Hellish at first  
Then a pleasure to the sight.  
The devil is in them  
No doubt  
As they wait silently  
For the attack.  
Rest easy and they will come  
Fall asleep and they will come  
Those panties take no prisoners.  
They entice, entwine  
Turning your brain to mush.  
Beware and be warned  
No smelling, no touching  
Just look  
On second thought...  
Look at who's wearing them  
That might be worth something  
But look out  
If they are alone  
You're in trouble!  
Those red panties  
Will get you every time.

## **12. IN A WOMAN**

What's to see in a woman...?

Big brown eyes

To melt my heart,

A wide bright smile

To light up my days and nights,

A beautiful smooth neck

To entice and excite me,

Soft delicate hands

For me to hold and squeeze,

Powerful thighs and legs

For me to see and rub.

What's inside a woman...?

Strength,

Independence,

Sensitivity,

Caring,

Passion.

The sights to behold in a woman

The mixture of characteristics of a woman

It's all there for me

That's in a woman.

### **1. NEVER**

The Fall came  
And I just got started  
The Winter rolled passed  
And I never realized  
The New Year arrived  
And I knew

The Spring flew by  
And I never stopped  
It rained and poured  
And I never stopped  
Good days and bad days  
And I never stopped  
Through laughter and tears  
And I never stopped

I cared enough to let go  
But I never stopped  
I missed her so much  
But I never stopped

Heart be still...  
Destiny delivers...  
Faith holds true...  
I always will...  
And will never stop...  
Loving You.

### **3. TO BE WHOLE AGAIN**

Sometimes you are so lonely  
You want to die  
No one knows  
What's going on inside of you  
You feel your life  
Is in pieces  
Broken pieces which  
Once represented a simple life.

One piece  
A strong family bonding  
Broken by illness, death and dishonesty.

Another piece  
A union of matrimony  
Destroyed by deceit and cunning.

Still yet another piece  
A proud education and knowledge  
Splintered by misuse and misunderstanding.

A big piece  
A life long friendship  
In peril because of stronger feelings.

An important piece  
A meaningful and productive job  
Lost in uncertainty and passion.

The final piece  
True love and companionship  
Searching a new after years.

You can feel the puzzle before you  
Scattering further apart before your eyes  
To be whole again is in putting the pieces back in place.

If time heals all wounds  
Let's speed up the clock  
So that you can be whole again.

You remind me...

Of You!

## **6. MY DARKEST FEARS HAVE BEEN UNTOUCHED**

My darkest fears have been untouched  
My tormented nightmares have never been dreamt  
I can see them all, though  
I can see them all inside my soul  
They exist because I exist  
They are in my control  
True virtues keep them on the inner side  
But they fight to get out – escaping periodically  
Good vs. Evil  
Right vs. Wrong  
Me vs. Me  
I vs. I  
Jealousy, Envy, Spite  
Kill, Hate, Self-Pity  
My daily struggles  
No one sees  
No one knows  
They go untouched.

*©RAB 1999 January*

## **7. HOW THEY CAME**

They came  
He SOFT, she DRY  
He HARD, she WET  
She RUB, he CARESS  
She SUCK, he LICK  
She DICK RIDE, he DICK DRIVE  
They come – again.

## **8. BLACK SKY**

I lay on the green grass  
And look at the sky.  
The dark sky, the cloudy sky, the black sky  
The black sky is mine.

It holds my thoughts and feelings  
It holds my memories and dreams  
The dark sky, the cloudy sky, the black sky  
The black sky is mine.

It's not gloomy nor evil  
It's enlightening and glorious  
The dark sky, the cloudy sky, the black sky  
The black sky is mine.

When I feel down  
I look up and see the sky  
The dark sky, the cloudy sky, the black sky  
The black sky is mine.

It wakes me up to me  
Positive, strong  
The dark sky, the cloudy sky, the black sky  
The black sky is mine.

People look at the black sky  
They run for cover for fear  
The dark sky, the cloudy sky, the black sky  
The black sky is mine.

I look at the sky and it is mine alone  
Mine alone to control.  
The black sky is mine.

**9. SCENE 1: DR. RHYME**

Do you like it in the dark?  
Have you done in the the park?  
Do you do it lying down?  
Can you do wearing a gown?  
Do you do when you're bare?  
Do you like it in the rear?  
Have you done it while on top?  
Would you like to get a lot?  
Do you stroke and do you suck?  
Or do it straight and just fuck?  
Do you like it hard and long?  
Or would you like it short and strong?

I can do you here and there,  
I can do you anywhere.  
In the house and in the tub,  
Up and down, just lick and rub.  
I can hear you moan and groan,  
Take you down to the bone.  
Let me hear you say you can,  
And I'm yours - dr. rhyming man.

**10. NAKED WOMAN IN MY BED**

I walk into the bedroom  
And what do I see  
A woman  
A naked woman  
A naked woman in my bed.  
Do we chat or do we talk?  
No, we laugh and we smile.  
I step back to see the beauty that is woman -  
This woman.  
Skin looking smooth and soft  
Thighs slender and tight  
Fingers nibble and quick  
The face so enhanced with these illicit lips  
The curves and the bumps  
The grooves and the blemishes  
Now I start breathing  
The breasts so plum  
The nipples glistening  
Now I start growing  
The legs spread slowly  
The love box juices start flowing  
Now I start hardening  
The body squirms  
The alluring moans  
Naked woman in my bed  
Now naked man in by bed  
Both together as one  
That's me and the naked woman -  
Enjoying all facets of the nakedness -  
Seeing, Touching, Doing - NAKED.

**11. THE PERFECT MOMENT**

You see the slim lady  
With the long legs and brown eyes  
Her smile lights up your heart  
Her voice melts your senses  
All in the Perfect Moment.

It starts with a massage  
Then comes the cuddling  
Gentle kisses to soothe the tongue  
And finally making love to add to the fun  
All in the Perfect Moment.

One-second  
One minute  
One hour  
One day  
The Perfect Moment is always forever with you.

**12. FUNKY AND DOWN IN DEEP**

Halla, Halla  
You just wanna halla. Feel it, tease it. Rub it, Stroke it.  
Funky and Down in Deep.  
Wear it out -- Wok it up. Shake it 'round. Get on down.  
Funky and Down in Deep.  
Wiggling and jiggling. Pounding and pushing. Oohing and aahing.  
Funky and Down in Deep.  
Burst! Tingle! Splash! Relax!  
Funky and Down in Deep.

### **1. STRANGER TO REMEMBER**

As I recall it was just a ride  
A simple subway ride home  
As it turned out to be  
The most praise I could give to any woman.

Pulling out of the station  
Music playing through my earphones  
Singing in my head  
And not thinking about much.

Two stops later it was all gone  
She stepped onto the train quickly  
And our eyes crossed as she sat across from me  
Déjà vu, extra sensory, star-crossed  
I know not what it was  
But I can not forget her.

There was a light and there she was  
She sat there reading with me pretending not to notice her  
I did not notice her big brown eyes  
I did not notice the curl of her lips  
I did not notice the texture and curves of her skin  
I did not notice the simple hands  
I did not notice when she found the page.

Every time she glared up  
I looked away  
I never noticed when she stopped reading  
I never noticed when she closed her eyes  
I never noticed...

I did not know her  
I did not know how to know her  
But silly me cannot forget  
I debated getting off the train at my stop  
Waiting a few more stops just to be in her presence.

I imagined how she smelled  
I imagined how she sounded  
I imagined how she laughed  
I imagined how soft she was  
I imagine her saying my name.

It may be days since I got off my stop

But her face still lingers in my mind  
Day after day  
Maybe this is a sign of later things  
Until then she will be  
A stranger to remember.

## **2. ON CALL**

In the seamless winter nights  
In the steamy summer nights  
In the light of day  
At the high sun of noon  
From the dusk to the dawn  
I am on call  
Waiting to answer.

Call me when you're feeling  
Call me when you're needing.

Call when you need caressing  
Call when you get your juices flowing  
Call when you need the warmth rubbed against you  
Call when you need to the taste of meat  
Call when you need the feel of the tongue  
Call when you need the feel of the fingers  
Call when you need the feeling inside  
Call when you need the hard thrushes  
Call when you need to shutter from the ecstasy

I am on duty  
I am here  
I am on call.

### **3. AS YOU FEEL THE NEED**

Lying down alone  
As you feel the need  
The need for solitude and reflection

Lying down with me  
As you feel the need  
The need for warmth and love

Being caressed on your thighs  
As you feel the need  
The need of soft hands on your hot flesh

Having your box kissed and licked  
As you feel the need  
The need to have someone taste you and hear your moans

Having someone push hard inside you  
As you feel the need  
The need to feel the release of passion inside you

Having your whole body quiver  
As you feel the need  
The need to experience the ecstasy

Lying down alone  
As you feel the need  
The need for solitude and reflection

#### **4. EXPLICIT EXPLORATION**

The hands, the touch  
The tongue, the taste  
A state of mind, a state of ecstasy.  
As she lays on her back massage firmly  
From the neck to the shoulders  
Then move to the back and rub firmly  
Make sure to caress the small of the back  
Move down along the bottom until you reach the thighs  
Rub fluently down to the back of the knees  
And move on to the lower legs  
Begin kissing gently the lower legs  
And move back up behind the knees  
Here you massage, kiss and lick  
Work the tongue up the thighs (both sides please)  
And then work the back  
Alternately massaging, kissing and licking  
Slide along the shoulders and follow suit on the neck.  
Turn her over for side two  
Begin again massaging the neck and shoulders  
Move along the breasts, gently  
Then brush the nipples before massaging then quickly  
Squeeze the waist and go directly to the legs  
Move back up and begin kissing the neck  
Ease your way down the shoulders  
Kiss and lick around the breast  
Then take your time sucking the nipples  
Move your tongue down the stomach  
And around to the thighs.  
Now move into the middle  
Explore her lips with your tongue  
Gently, vigorously, taste her flowing juices  
Slide your hands along her inner and outer thighs  
Squeeze her bottom as your tongue explores.  
Stop, you're not done yet  
Use your fingers to continue exploring  
As your harden becomes prepare  
Take as long as necessary  
When ready, gently enter into her  
Push easy until all the way in  
Slowly develop a rhythm and feel her  
Your thrushes becomes hers  
Her pulses becomes yours  
Deeper and harder  
Deeper and harder  
More and more  
More and more

The sensation heightens, faster  
An explosion, juices flow  
Ecstasy has come, relax together  
Get ready to explore some more.

## **10. BOWLING LANE**

A ball and ten pins  
Let the games begin

Preparation  
The feet massaged for the proper shoes  
The ball must be selected  
Smooth and not too heavy  
Take your time and select carefully  
The fingers must fit the hole  
Not one but two fingers, and a thumb

Set Up  
Stand firm with fingers in holes  
Wiggle a little and approach line  
Move slowly, steady and concentrate  
Roll the ball down the lane  
A smooth roll will go a longer way  
Than a hasty throw

Action  
Down the lane, A hit!  
Wait as the pins fall, one, two, three, four  
The goal is strike, if not a spare will do  
So you have time to reach your peak  
Watch out for the sidetracked gutter balls

Game  
Remember the ball will be return  
Pins are reset and balls return back to original state  
For there is always another try  
Ten frames make the game

Next  
Ready for the next game!

The second time around  
Is accepted to be the better time  
But I'll always remember our firsts  
With You...

The first phone call  
The first hello  
The first look

The first smile  
The first laugh  
The first date  
The first touch  
The first dinner  
The first cry  
The first good-bye  
The first hand holding  
The first kiss  
The first missing  
The first longing  
The first cuddling  
The first lunch  
The first rubbing  
The first love making  
The first licking  
The first stroking  
The first ecstasy  
The first disagreement  
The first make-up  
The first breakfast  
The first fantasy  
The first reality  
With You...  
The first is the forever  
I'll always remember.

**12. DOES NOT**

There doesn't need to be an emergency  
For me to hear your voice  
You don't need to want comfort  
For me to hug you tightly  
You don't have to be falling  
For me to hold your hand  
You don't have to be crying  
For me to kiss your lips  
You don't have to have aches  
For me to rub your body  
It doesn't have to snow  
For us to be "snowed in"  
We don't need an argument  
For us to make love  
It does have to be a special occasion  
For us to be together

Anytime is the right time  
All times are good times  
As long as it's you and me  
It can anytime  
Because all times with you are special.

She responded to an ad  
She knows not why.  
She answered a response  
She knows not why.  
She keeps communicating  
She knows not why.  
She meets him  
She knows not why.

Her beauty smiles  
Her smile shines  
Her face lights up a room  
Her skin glows  
Her laugh wonderful  
Her loveliness entices

She knows not why  
But he's glad she did.

**15. LET ME HEAR YOU WHISPER**

Let me hear you whisper  
As the birds sing from the trees.  
Let me see you smile  
As the sun lights up the sky.  
Let me gaze into your eyes  
As they melt the mighty heart.  
Let me feel your touch  
As soft as warm petals.

Let me taste your lips  
As luscious as cherries.  
Let me rub and caress you  
As darkness overcomes the day.  
Let me feel your tongue  
As the hunger inside grows.  
Let me feel your passions  
As the ecstasy flows steady.

Let me hear you call me  
As the naked bodies unfold.  
Let me feel your body  
As the heat comes from a flame.  
Let me make you breathless  
As our body entwines.  
Let me feel the rhythm  
As our emotions run high.  
Let me hear you moan  
As the pleasures become intense.  
Let me hear you scream  
As we explode with desire.

Let me hear you whisper  
More...

### **1. DO YOUR TOES CURLS?**

Do your toes curls when I gaze into your eyes,  
Or do they curl when I smile.  
Do your toes curls when I rub your skin,  
Or do they curl when we embrace.  
Do your toes curl when we passionately kiss,  
Or do they curl when I press your body next to mine.  
Do your toes curl when I caress your breasts,  
Or do they curl when I suck your nipples.  
Do you toes curl when my tongue explores your juices,  
Or do they curl when I enter deep.  
Do your toes curl as our bodies move in rhythm,  
Or do they curl as we explode in ecstasy.

Would you like your toes curl?  
Can I make your toes curl?  
Do your toes curl?

## **7. WHY DID IT TAKE THIS LONG?**

*Why did it take this long?*

For there was attraction from the first day we met,  
For all the months of flirting

*Why did it take this long?*

To feed the stomach with delicious meals,  
To the first plans to go out

*Why did it take this long?*

For our first movie date  
For our first dinner date  
For our first dance  
For our first kiss

*Why did it take this long?*

Because some things are worth waiting for...  
And you are definitely worth the wait...  
And after the wait...  
*There is forever.*

I SEE YOU SEEING ME.  
I SEE YOU SEEING ME BE ME

I SEE YOU ADORING ME,

WHEN I SEE YOU SEE ME,  
OH! HOW I BLUSH,  
MY FANCY GET FANCIER,  
AND US BECOMING ONE  
IS SOON TO BE A MUST

MUST YOU SEE ME  
THE WAY YOU DO?

I GUESS YOU HAVE TO.

CASTING UPON WHAT YOU DESIRE  
ONLY BECAUSE YOU ADMIRE  
THE FACT THAT WHAT YOU SEE,  
IS ME BEING ME.

## **10. STEPPING STONES**

One pebble floats in the water  
With a sea of other pebbles and stones  
But only one true path exists  
The other paths are just detours  
Trials and errors  
Once the true path is found  
Stepping stones are needed  
All the other paths remain  
But their paths become part of history  
The true path is more important  
The true path is the now  
Pebble by pebble  
Stone by stone  
Each stone becomes stronger than the next  
The true path becomes a solid rock  
And leads to a future  
A stone may slide a bit now and again  
One may have to skip a pebble or two  
But on the true path the rock keeps things in place  
Once the true path is complete  
The rest is just a pure waterfall  
Refreshing and without end.

## **2. THE FIRST TIME**

It was the first time  
It started with the holding of the hands, the index finger flicking in the palms  
A gentle squeeze as the fingers interlocked  
It continued with a look in the eyes, the lips connecting  
As our tongues were the first to feel the passion  
It moved to the sweet kiss on the neck, our bodies closed together  
As nature arose  
The breasts were soft and smooth, to the touch and to the tongue  
As the sweetness increased  
At one point we gently licked, rubbed and sucked each other's arousal  
As we moaned in delight of each other  
When I finally entered, the wetness was flowing  
As I pushed deeper inside  
The passion was now a rhythm and the feeling soaring  
As your moans were full of delight  
Then...the stars sparkled, the dam broke, the ocean crashed the shore  
As our bodies twitched and pulsated with ecstasy  
Now it was over, it was breathless  
As we lay close while the night passed away  
We waited for the light to bring another time.

#### **4. MORE THAN HANDS AND FINGERS**

The hand  
With the fingers  
Lies deep passion  
Interlocking fingers  
Squeezing the hold hand  
Rubbing the fingers  
The pinky: small, smooth, rub  
The thumb: balancing, powerful, kiss  
The ring finger: easy-going, sturdy, stroke  
The middle finger: vibrant, strong, lick  
The pointer: delicate, controlling, suck  
Caressing each finger in turn  
Tickling the palm  
Squeezing the hold hand  
Kissing the back of the hand  
Gently kissing the palm  
And again each finger  
All that passion in one hand

## **6. TWO HEARTS**

Two eyes can see clearer than one  
Two hands can do more than one  
Two ears can hear more than one  
Two mouths can express more than one  
Two heads can think better than one

## **8. FIFTEEN MINUTES OF FOREPLAY**

I hold your hand gently  
I kiss the back of your fingers  
I gently and passionately suck your fingers  
I turn your hand over and move down to your wrist  
I press my lips gently into your palm

I stroke your arms and back while  
Kissing your bottom lip  
Kissing your upper lip  
Kissing your throat  
Kissing your earlobes  
Kissing your eyelids

I play with the tip of your tongue with my tongue  
I kiss you deeply while running my fingers through your hair

I gently blow after  
Kissing behind your earlobes  
Kissing the top of your breasts  
Kissing your belly button  
Kissing the insides of your arms  
Kissing your inner thighs  
Kissing the back of your knees

I squeeze your buttocks and  
I rub the small of your back

I rub your breasts lightly  
I rub your breasts firmly  
I hold your firm nipples between my fingers

Heading South  
I give long, slow strokes to your outer lips  
I part your labia and stroke along the sides of your clitoris and inner lips  
I feel your wetness  
I kiss and rub your clitoris

Are your nipples erect?  
Are you breathing heavy?  
Is your clitoris firm?

I kiss you deeply and slowly enter you  
I start thrushing  
Foreplay's over!

## **9. JUST EYE CANDY**

She's only eye candy  
The beauty, the lovely, the sexy,  
Look and imagine  
Gaze and even stare  
But no touching, licking, kissing,  
Hugging, caressing, loving  
She's just eye candy,  
Food for the eye and your dreams.

## **10. DO IT DAILY**

You put the long, hard shaft in your mouth...  
...Into your hot waiting mouth...  
...In and out, in and out...  
...You feel it building up inside of you...  
...You go faster and faster...  
...Until the white creamy liquid fills your mouth...  
...You spit and it's over...  
...Take care of your teeth...Brush with toothpaste daily!

## **11. IN THE HEART**

There is a glow to the heart,  
As there is at night.

There is magic in the heart  
As there are in stars.

There is heat in the heart  
As there is in candlelight.

There is red in the heart,  
As there is in fire.

There is a beat in the heart,  
As there is in rhythm.

There is passion in the heart,  
As there is in ecstasy.

There is love in the heart,  
Just as there is in you and me.
