Beyond Magic! - the highly acclaimed psychic entertainment show is the brainchild of Nakul Shenoy.

Being one of a few elite performers dedicated to mentalism and psychic entertainment, Nakul's ingenuous acts of mind reading and psychic presentations are acknowledged to be among the best in the country and the world.

The raised eyebrows, the whispered questions, and the 'Give-Me-A-Break!' looks of his audience do not seem to perturb Nakul, as he mesmerises each and all, with his fast-paced and highly-interactive corporate mentalism shows.

And as the name suggests, it is truly BEYOND MAGIC... It is the closest one can get to a psychic phenomenon. >>
