OBJECTIVE

TECHNICAL/SOFTWARE DEVELOPER » allowing for work opportunities in a constantly changing, dynamic work environment where tasks and assignments intended for support of an individual or group call for creative problem solving, time management and organizational skills from someone capable of multi-tasking and working in and with a team.

PROFILE HIGHLIGHTS AND QUALIFICATIONS

- ❖ **PROBLEM SOLVER** » capable of researching, acquiring and managing multiple coordinated resources, techniques and tools aimed at discovering, articulating, and bringing to completion creative solutions to tasked projects.
- ❖ **SUCCESS ORIENTED** » comfortable with tight deadlines, organizational challenges and tasks requiring a self-motivated person capable of managing time well.
- ❖ **HIGHLY ADAPTIVE** » able to learn anything very quickly and flexible; mixing well with all types of people and groups and able to work with any team.

PROFESSIONAL ACCOMPLISHMENTS

TECHNOLOGICALLY ADEPT

- ❖ Graduated with a 4.0 GPA from High School and stayed on the Dean's List at the Northern Virginia Community College for 4 of 5 semesters attended while studying for an Associates Degree in Web Page Design.
- ❖ While working with Real Business Technology (RBT) Systems, a company that develops and sells computer networking curriculum to High Schools and Vocational Schools across the country, completed all offered course work and taught local classes.
- ❖ Am proficient with all versions of Microsoft Office software and Windows, the Internet, e-mail, and Web Servers as well as packages like Adobe Photoshop, Macromedia Suite, Carerra and FTP server software and operation.
- ❖ Can write computer software using the C, C++, or JAVA languages, am comfortable with Microsoft DirectX, can create web-based solutions in HTML, XML, JAVA, and PERL, read code written in BASIC and am familiar with MySQL.

MANAGERIAL EXPERIENCE

- ❖ Have been responsible for team building which includes hiring, firing and training of personnel that would later work under my supervision as part of a team in two separate food services jobs.
- ❖ Have been responsible for the execution of several geographically distant deliveries while driving for McCormick Paints and can effect delivery schedules in a self-managed work environment such as home delivery for the Washington Post.

EXCELLENT COMMUNICATION SKILLS

- ❖ Completed several courses in both High School and College in advanced English and Communications.
- ❖ Have learned how to communicate with co-workers, while managing work teams, and customers, at recent bartending employment. Have developed the skills to easily engage others in comfortable repartee
- ❖ Repeatedly used communication skills to solve, or prevent, arguments and to dissolve conflicts, always trying to edify the team and pacify the offended while working with customers or co-workers.
