

## Being Sent

The million dollar arm  
a magic wand  
that tossed the miracle  
curve ball,  
and signed the contract  
and held up the shirt  
that donned the number 12  
and hailed him as the  
one to bring the pennant back,  
was the very same  
that was tossed aside  
along with all the other  
body parts removed  
from those who had  
been unfortunate enough  
to be standing near Billy  
when he triggered the mine  
that would send them home.
