BLUE MOUNTAIN GOLF CLUB

SENIORS SECTION

The seniors section (**age 55 and over**) of our club is very active and is captained by me Colin White (64) I have been a member at BM since July 1997. I have been on the Golf committee prior to being captain for the last 5 years and have worked with a lot of different people both in Blue Mountain management and staff players at the club.

This past year has seen a great deal of positive changes in the club, the committee works very well with the Blue Mountain management, the pro shop and ground staff etc. The club has become more professional and outward looking and we enjoy having a superb nationally recognised handicapping system in place CONGU (the **Council of National Golf Unions**)

The senior's run a number of competitions open to members only, most of which are qualifying events under CONGU regulations so handicaps are realistic and appropriate.

Weekly

Every Monday (Unless a Bank holiday Monday then it is the Tuesday following) the seniors meet for a roll-up Stableford competition which is run by Dave Sutton. Players just turn up by 8am; they book in at the proshop as normal to get their cards. Dave will announce how many are playing, what tees we are using and whether anybody will be going off the back 9 first. Every player is asked to pull a number blind out of a bag.

Dave will then call out numbers in order for tee positions. When the rounds are completed all cards are checked and signed by both player and marker and handed to Dave in the club house together with a £1 entry fee. The player with the most points is the winner and will receive approx.

50% of the kitty followed by 2nd and 3rd place. ALL cards are then submitted to the handicap secretary who will enter into the CONGU computer system and over the next day or so publish results including any handicap changes.

Running alongside the weekly competition is the cumulative Seniors ECLECTIC competition which works off $\frac{3}{4}$ handicaps. The entry fee for

the year for this competition is £2. A special inscribed "olden style" club is the reward which is kept for a year. This is a prestigious competition and gets very tight towards the end of the year (end November).

Monthly

On the first Wednesday of every month a senior's monthly competition is run, normally a Stableford competition off White tees but four times in the year it will be a medal competition. A sign-up sheet is posted on the members notice board in advance and an entry fee of £3 is payable in the pro shop on the day of the event when picking up ones "pre-prepared card". Tee pairings etc. are determined as per weekly by picking a number out of a bag. Cards are as per weekly handed in and the kitty is divided up with 10% going to the club then 50% of balance paid to winner then 2nd and 3rd places paid out. Cards are submitted to handicap secretary for handicap adjustments and results publishing.

Alongside the Monthly competitions we run the "Order of Merit" (OOM) which is worked thus 10 points to winner 8 to second down to 1 point to 9th. place. The scores are then tabulated and ongoing monthly cumulative results published the leader is the person with most points, so playing in as many monthly competitions as possible will help increase ones point count. There is a special award for the OOM winner at season end (end November).

Annually

A knock-out Match play "SUMMER SINGLES" competition is held from May/June onward based on $\frac{3}{4}$ differences in handicaps. A draw is normally made in the middle of May and dates for rounds to be completed published. Entry fee is £3 which goes towards medals and engraving costs etc. The winner receives, at the end of the year, the trophy to hold for one year and an individual trophy so inscribed to keep. The runner up also receives an individual trophy.

NAPGC Senior midweek Greensomes knockout

This is the Annual National Association of Public Golf Courses Greensomes knockout competition organised by areas (geographical) and each club is invited to enter teams of two pairs minimum to play home and away normally on the same day. Combined Stableford scores on the day determine winners. Maximum handicaps of 24 and 7/16 are then allowed. The winners get entered into the next round which will mean playing a

different area winner perhaps. The senior's captain selects the team members and invites them to play.

Crown Golf Senior's Team competition

This is the Annual Crown Golf run Team competition based on Stableford scoring. The organisers invite each Crown Golf club to enter one team of 5 players. Scoring counts best 4 from 5 players. Course will be decided a year in advance. Seniors captain at Blue Mountain normally selects the team from the first 5 in the Order of Merit at the time of selection. A trophy is the prize for the winner which is decided on the day.

Pat Hoey Memorial Greensomes Trophy

2007 was the first year of this competition and it is to ensure that we do not forget our dear friend and fellow senior Pat Hoey who sadly passed away in March 2007. Entry is by invitation only but basically the priority are all seniors taking part in regular club run competitions at Blue Mountain, and other friends of Pat's within the club and the Copped Hall golf society that he was a member of.

The seniors' are friendly and well established at Blue Mountain but we are always looking for, and welcome new members.
