

Gayle Jackson  
Name Tag – Badge Holder  
April 2001

Embroider Club  
Fresno CA

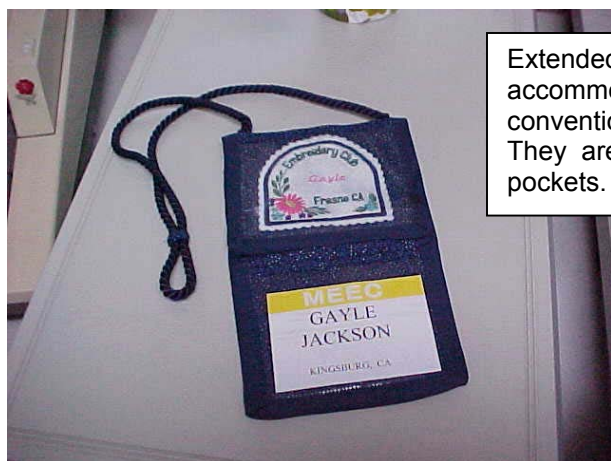

Compact size with a vinyl pocket to insert your embroidered nametag.

You can also embroider directly on the holder, but I thought it might be nice to have the flexibility to show off other designs with vinyl window pockets.

(Permission was given by Elsa Goussard's to use design from her Appliqué Design Card.)
