

12 DEMONIC SPIRITS MENTIONED IN THE BIBLE

There are 12 demonic spirits mentioned in the Bible. These 12 spirits are responsible for all abnormal behaviours in our society.

When we are dealing with demonic spirits, we need to first intercede and pray to ask God to help us. We need to intercede for the situation and as we intercede, the Holy Spirit steps in.

Remember we are no match for any demonic spirit but the Spirit living in us is able and willing to help us defeat the enemy. We must also remember that we are God's hands and feet in this world and we have been commissioned to bind and loose things on this earth (Matthew 18:18). NEVER face demonic spirits without intercession and prayer before going out.

During intercession, we are binding the controlling spirits and loosing God's power into the situation. We must also have God's word (Psalm 55:16) so that we can ask Him to release angels on our behalf.

The next step is to identify the correct spirit to cast that spirit's influence out of the person's life.

1. This is done by sharing the word of God with this person until they get understanding.
2. Once they have the understanding, it will lead to repentance.
3. Once they have repented and confessed their sin you can command the controlling demon spirit to COME OUT IN JESUS NAME! 2 Timothy 2:26 / 2 Corinthians 4:3-4
4. Then you pray for their protection - Ezekiel 9:4-6
5. For a hedge of protection around that person, their family and remember you are your family too: - Ezekiel 22:20-31
