LETTER OF RECOMMENDATION

DAVID W. HALTOM

CHRISTIAN IMPACT MINISTRIES

David Haltom is a sharp young man with a great heart for the Lord and keen mind for God's Holy Word. David has great insight for the issues that drive our culture and he monitors them on a regular basis by sending out a very informative monthly newsletter that is entitled *Savior's Seasonings*. Both this newsletter and *the eSalt Alerts* address the hot topics and challenging social issues of our culture that threaten the moral fabric of our nation and the Christian church as a whole. These are very helpful resources that offer great Biblical application and are anchored by a clear Biblical Worldview.

David and his wife have a deep abiding faith in the Lord Jesus Christ that has been forged out by experience through continuous battles with various health issues. You will be amazed at the humility and testimony of this former Aerospace engineer. David's God given vision is "to engage the culture with the timeless truths of God's word." I fully recommend David Haltom and Christian Impact Ministries for teaching, preaching, or training in your ministry setting.
