NATIONAL DAY OF PRAYER
MAY 5, 2005

God Shed His Grace On Thee

Despite a city of over 60,000 residents, only ~two dozen participated in this year’s event—leaving the question, **“Where were His church?”** We do praise the Lord for those who did participate and coordinate this annual event! (**Matthew 18:20**)

Concord Mayor Scott Padgett addresses the attendees of this year’s prayer event

Attendees broke in small groups for personal and corporate prayer for families, our government, our nation and our world today!
