

*As a young man, my father loved baseball, playing short stop and pitcher. He was even a little wild in those days, riding Harley's and Indian motorcycles.*

*My father had a knack for fixing things. He worked as an automotive mechanic for most of his life. He also was a collector of objects, mostly of things he would find on the side of the road, but, to him they were treasures.*

*He married the former Lena Goss, at age 22. Together, they had one daughter, Charlene, his pride and joy. He and his wife enjoyed fishing together and camping. They made many friends, all over the country, on these camping trips.*

*My father taught Bible class and often said that the Bible was his favorite book. He was an honest, gentle, and loving husband, father, and grandfather. When I would ask my father how much he loved me, he always replied, "A bushel and a peck and a hug around the neck". He was a quiet man, but, when he spoke, everyone seemed to listen. My father was a faithful husband to my mother for over 62 years.*

*My father lived a full and fruitful life and now he has gone to be with his Savior, Jesus Christ. He is survived by his wife, Lena; his daughter, Charlene; and two grandchildren, Christopher and Serene. He will be missed, but the wonderful memories will always remain in our hearts.*
