CHARLES RIVER DOG TRAINING CLUB — POLICIES & TRAINING GUIDELINES

Please note the following CRDTC policies:

- ◆ Handlers should check in at the desk before each class.
- ◆ Evaluation/consent of the instructor is required before you can join the advanced classes.
- ◆ **NO REFUNDS** after classes start. In extremely unusual circumstances, please speak to the club president.
- ◆ **Holidays:** No classes Labor Day, or between Christmas & New Year's Day. Class that fall on a Monday holiday will be held on the Wednesday immediately following the holiday. There is a different schedule on Wednesday evenings, so please check the web site for the most current information.
- ◆ **Inclement weather:** Messages about weather-related cancellations are posted on the web site. If the roads and parking lot are plowed there's a good chance classes will be held as usual.
- ◆ We value your comments and suggestions! Please fill out and return the questionnaire distributed at the end of your course, write a letter, or speak with a club officer or member of the Board of Directors at any time. Thanks!

Training guidelines:

- 1. Collars and leashes:** Handlers should use a *training collar* (also called a *slip collar*) or a *buckle collar*, and a leather or fabric *leash*. (You can buy equipment at the desk at nominal cost.) If you want to use non-standard equipment, such as a harness, head collar, retractable leash, *etc.*, get the consent of your instructor or the club president.
- 2. Age requirements:** Handlers should be at least **15 years** old; dogs, and except for puppy classes, at least **6 months** old. Any exceptions should be arranged before the start of the class, with the consent of the instructor.
- 3. Guests and visitors:** Friends and family—including children—are most welcome to watch the activities, so long as they're seated quietly and don't disturb the dogs and handlers. Please remember that not all dogs are comfortable around children or strangers. Before approaching or petting a strange dog, ask for the owner's permission.
- 4. Control:** Keep your dog *on leash* except for specifically off-leash exercises. You must control your dog (on leash and off leash) for the safety and protection of other dogs and people. Also, please try to prevent excessive barking. Dogs that are overly aggressive or creating a nuisance will be excused at the judgment of the instructor. Please don't bring bitches (female dogs) in season into the club.
- 5. Mats, gates, jumps, and other equipment:** Everyone's help is appreciated in setting up the training areas. Please respect the equipment and facilities. Jumps should be used only by physically mature, healthy dogs.
- 6. Courtesy:** Handlers should not train in such a way as to distract or interfere with other dogs and handlers. Please yield the "right of way." For example, if a training area is being used for individual instruction, don't enter or leave your dog in that area. Please let other dogs and handlers have their turns using jumps and other equipment or training areas.
- 7. Methods:** No non-AKC-approved training is permitted. Experienced handlers are reminded that they're models for beginners—please make sure your actions, such as in correcting your dog, are what you want beginners to imitate and what you want the general public to think of obedience training.
- 8. Abuse:** No abuse of dogs will be permitted or tolerated.
- 9. Clean-up:** You're responsible for what your dog deposits, both inside and outside the facility. Please "exercise" your dog before class and make sure he doesn't foul the grounds or the surrounding neighborhood. (There are pick-up bags, waste buckets, and other cleaning supplies inside and outside, near the entrance to the building.)
- 10. Infractions:** Instructors or the club president shall give one verbal warning for any infraction of the club rules. Further infractions will result in the handler's suspension.

These guidelines may not cover all situations and problems that could arise. Please use good judgment and courtesy so that everyone can enjoy the club. Thanks!
