Brethren:

Below is a copy of the 250th Commemorative Coin that we have as a fund raiser for our 250th Anniversary, come this September 15th 2006.

We think that it is a beautiful coin, and one that every coin collector would like to have. We ordered, and received 1000 in Bronze as indicated below, with the blue in the middle.

We also have the same coin without the blue, in silver and numbered 1 thru. 100 at present, with only 70 left.

The Bronze are \$10.00 each, and the Silver are \$50.00.

The postage for S/H is \$1.00 if we have to mail them

We would love to sell all of these and have to reorder before our big even on September 14th 15th, & 16th.

You can send your order to R. V. Pinkston 834 Ribaut Road Beaufort, S. C. 29902. As he is keeping track of the distribution of the coins, and recording who has what number of the Silver Coins.

We are looking forward to a large turnout in September and hope to see many of you here in Beaufort.
