Caring For My Dog

Ask a parent or 4-H Advisor to evaluate the care you are giving your dog using a scale of 1 to 10, with 1 being poor, 5 average, and 10 being excellent. Your dog should be inspected once a month for four months. For

Points Checked	Dates of inspections	Comments
Condition of living space/cage		
Condition of hair coat/skin		
Condition of eyes (clean - matted)		
Condition ears (clean - dirty)		
Condition of toenails (trimmed - too long)		
Weight (thin - fat - ideal)		
Temperament (friendly - shy - aggressive)		
Condition of Teeth (clean - stained)		

Resources Used For Project

Record any resources used during your 4-H dog project. List your project books, and any other books or websites you used as a reference. You can also list your Veterinary or Groomer if you asked them any 4-H project related questions about your dog.
