

Stud Contract

I, Carol Edwards,

Owner of stud dog: _____ Reg# _____,

to be bred with _____ Reg# _____.

It is agreed by both parties that the fee for this breeding is Pick of the Litter or stud fee of \$_____,
(Circle appropriate and cross out not-applicable fee.)

If pick of the litter, upon birth of puppies, the owner of the female will notify owner of stud, when and how many puppies were born. Owner of female will give owner of stud, first pick of litter and owner of stud will be allowed to pick out puppy between 6-8 weeks of age if pick of litter fee was used. Owner of stud will be allowed to take possession of puppy between 6-8 weeks of age.

If pick of the litter was selected: If only one puppy is born, or only one survives, owner of female will have the option to pay owner a stud fee of \$_____ due within 8 weeks of birth of the one puppy born or provide the lone puppy to the stud owner.

Litter will be registered with (circle all that apply) AKC, CKC, ACA, others: _____

Owner of female will submit all litter registration papers needed if puppies are to be registered and provide puppy registration to stud owner. Stud owner also agrees to fill out her information for female owner's puppies, if litter is to be registered.

If a stud fee is being charged, and female does not give live birth, stud owner will provide a rebreed to the same or another stud in her kennel at female's next heat. **Stud fees are due at drop off time of female. If no mating occurs, fee is refunded at time of female pick up.**

For Yorkshire Terriers, only, owner of female must have puppies tails docked and dewclaws removed at, or prior to 5 days old.
