

Warranty & Service

Electro-Voice high fidelity speakers are guaranteed for five years from date of original purchase against malfunction due to defects in workmanship and materials. If such malfunction occurs, speaker will be repaired or replaced (at our option) without charge for materials or labor if delivered to the proper Electro-Voice service facility. Unit will be returned prepaid. Warranty does not cover finishes or malfunction due to abuse or operation at other than specified conditions. Repair by other than Electro-Voice or its authorized service agencies will void this guarantee.

Electro-Voice also maintains complete facilities for non-warranty service on all products. Write or call Service Department for locations and instructions.

Information on other Electro-Voice products

Electro-Voice has long been a leading producer of electro-acoustic and communications equipment. Write for information on any E-V product.
