Coming Events

Whitewater Rafting Our annual water weekend will be on June 24-25th, taking rafts down the "rapids" made extra good by the summer dam release. Should be a great time rafting and camping.

Summer Camp will be at Goose Pond Scout Reservation **from August 6th to August 12th**. The camp is located at Lake Ariel, in north eastern Pennsylvania. Summer camp will offer a wide range of merit badges and lots of camping fun.

Medical/Physical Forms must be completed prior to summer camp. Adult medicals are only good for one year. Scout medicals are good for three years.

Next Year's Preliminary Schedule of Events Was recently handed out and should soon be posted on the Troop 246 web site (http://www.geocities.com/bsa_troop_246). **Scouts (1st Class and above) and Dads need to volunteer to be leaders for the various events and**

activities. If you have a preference get in touch with Scoutmaster Palframan or attend the Adults meeting on June 13th, 7:30 p.m.

See you in September when our weekly meetings will resume. Until then, ***have a great Summer!***
