Coming Events

Car Wash Fund Raiser May 23. Our annual car wash fund raiser is coming up! This is our troop's major fund raiser, and we will be using the proceeds to buy some additional tents. With our growing troop, these items are sorely needed. *Participation in this all day event is MANDATORY*, with exceptions only for those who will be out of town that weekend. Some Dad volunteers are needed to help out.

Delaware River Canoe Trip May 30-31. We're all set for what should be an exciting ride down the Delaware.

Summer Camp will be 7/26 through 8/1. *We need several Dads to join in with the Scouts for all or part of the week.*
