Coming Events

Next Year's Schedule of Events is enclosed with this newsletter. We need scout leaders for each activity. Please review the list of events, and pick out an activity you would like to lead.

Adult sponsors for each activity are also needed.

Summer Camp will be 7/26 through 8/1. Each scout attending should have received an information packet for camp. Please read it over so you will know what you need for camp. A few Scouts will be going to Philmont instead this year.

Windjammer Cruise August 13-16. A few Scouts and dads will be sailing aboard the Schooner Mercantile, on the Penobscot Bay, off the coast of Maine

See you in September when our weekly meetings will resume. Until then, *have a great Summer!!*
