Selections in New Canaan Concert | Donald Douglas Base Choral Club Sings Five "Elijah"

Pive selections from the Elijah were sung by the Wilton Choral Club at the concert of the New Canaan Community Orchestra last Friday.

The concert, which was held at the Henry W. Saxe Junior High School, opened with a group of four numbers by the orchestra. the most ambitious of which was the first movement of Franck's D Minor Symphony. The orchestra. which is entirely an amateur organization, showed how much it has gained in skill and musical coordination, under William O'Shaugnessy's direction during the past year.

Following an intermission, the Choral Club sang "Be Not Afraid." the trio, "Lift Thine Eyes," sung by Leona Bodenmiller, Ethel Hughes and Jeanette Oliver, "He Watching Over Israel," "He That Shall Endure To The End," and the final chorus, "And Then Shall Your Light Shine Forth." The beautiful piano accompaniment of Gladys Grove Weinberg contributed greatly to the final result. Mrs. Weinberg, a professional accompanist of note, has played for the rehearsal for this and other concerts of the group, and the Choral Club owes more to her assistance than is generally realized.

The singing was followed by a group of three numbers by the orchestra, and the singing of the Star Spangled Banner, led by Katherine Macy.

The Choral Club's next project will be Gilbert and Sullivan's operetta. "The Yeomen of the Guard," which will be given May 29 and 30. Rehearsals started Mrs. Roy Sterne and Mrs. Ingram. Monday evening and anyone interested in Joining the group is urged to make application as soon as possible. The next meeting of the Choral Club will be Wednesday, March 25.

One of Dana Birds Is Minus Its Head

Birds live perennially on the roof of Mrs. Charles A. Dana's garage and woodshed on Nod Hill Road. Their plumage is always gay, winter and summer, and they never have been known to change their position.

The other day a passerby observer that one of the birds had lost its head. Its stance is still as chipper as ever, but the Danas will probably get a new wooden head to make it look alive again.
