Availability List for Deliveries Friday May 6, 2005.

The AVAILABILITY LIST for our next delivery follows this sheet. Here are the HIGHLIGHTS:

The weather reverted back to chilly temperatures, but that hasn't kept the mountains from getting any greener. Everyday there's something new blooming which is a sure sign that a farmer is getting behind on his work. All those little jobs that were supposed to get done over the winter have been diligently re-prioritized for the next big snow storm, while the business of getting crops planted takes over our lives. The end of the row is always seeded with good intentions.

We finally have some Asparagus and Rhubarb coming in but in limited quantities, so order early.

Greens in Good Supply:

Baby Arugula, Young Green and Red Chard, Baby Curly Cress, Tender Young Spinach, Baby Spinach, Baby Asian Greens, Pea Shoots.

Herbs:

Chives, Spearmint, French Sorrel, Thyme, French Tarragon, Rosemary

RETAILERS REMEMBER MOTHER'S DAY WEEKEND IS COMING UP - THE BIGGEST PLANTS SALES DAY OF THE YEAR. WE HAVE A GREAT VARIETY TO CHOOSE FROM.

Riding along on our delivery trucks, along with our CERTIFIED ORGANIC fruits and vegetables, are local foods available to you. We do not offer them for sale through the co-op because they are not organically grown, but help in their distribution because this defrays our own shipping costs, supports local growers, and gives our customers more choices. These orders are invoiced separately from the co-op's produce, and should be paid with a separate check.

NEW MORNING FARM (which raises organic veggies for TOG) also acts as a wholesale distributor of LOCAL, NOT ORGANIC TREE FRUIT. FIREWOOD is also available through New Mornig Farm. Talk to Jim Crawford for details. See the end of our own availability list for what's in season, and order directly from them at (814) 448-3904. (Since this is their home as well as business phone, please be courteous and do not call at inappropriate times.)

LAKWOOD FARM (another TOG member) can get you fresh local meats - suckling pig, lamb and goat. Call Don Lake for more details at 717-485-3135 (his NAPA auto parts store), or 717- 573-2823 (home). He would need to hear from you by Tuesday at 2 p.m. in order to get ready for our Friday delivery truck

HIGHFIELD DAIRY produces goat milk cheese and yogurt. Please contact John Marshall for prices and availabilty at 717-485-5792.
