RIFLE SILHOUETTE MATCHES are held on the **first Sunday** of the month. Exact dates for 2006 are listed above. The range is opened on match Sundays at 7:30 am for practice. Smallbore rifle is shot first, beginning at 8:30 am. The Highpower match follows after a lunch/sight-in break, but never before 10:30 am.

Entry fees are now \$8.00 Smallbore and \$12.00 Highpower. We allow half price entry for spouses and juniors from the same household as a regular entrant.

The competition is opened to all.

The course of fire will consist of ten shots at each of the four animals at the standard rifle silhouette distances for a total of 40 shots per match. Shooters will set animals (for smallbore only) and then score for the next relay shooter.

All current NRA Silhouette rules will apply.

Advance entries are not required. Please see the names and phone numbers below for further information, range conditions, directions, camping information, etc. Matches may be cancelled for rainy conditions, call if driving any distance.

NRA Classification will be used. All shooters must have a 2006 classification book. These will be available from the Statistical Officer at the match at the cost set by the NRA.

Awards will be given to the Match winner and for the first place in each class with at least three shooters. An additional award will be given for each three shooters in a class after the first three.

Our special SAMLLGAME SILHOUETTE beginner's matches, with separate trophies, larger targets, same entry fee but no classification requirements, will continue to run with the standard Smallbore silhouette 40 shot matches. We want to encourage new shooters and juniors so please ask for assistance.
