ABOUT THE SPEAKER

Father Robert DeGrandis is a member of the **Society of Saint Joseph**, serving the worldwide charismatic Catholic community in full-time ministry since 1979. His central message of God's love and the healing power of forgiveness has been brought to little gatherings in country churches and overflow crowds in national stadiums. He reminds us of the simplicity of the gospel: to love and to heal. Thousands have been deeply touched through his messages on radio and national television.

He has contributed to the growth of the renewal through teaching, leadership training and healing services across the United States and in more than 35 countries. Father DeGrandis brought the basic teaching of renewal to Brazil, Chile, Peru, Jamaica and the Dominican Republic. He has ministered in England, Scotland, Italy, and many other countries, as well as across the United States. The growing interest in his priest retreats, focusing on the healing power of Holy Orders, has brought invitations from Canada, Australia, Spain, Indonesia, the Philippines, Taiwan, Korea, Brazil, Columbia and many Central and South American countries. He has recently completed several priest retreats in Texas as the request of the Bishop of Galveston.

Father DeGrandis is the author of more than 25 popular books, including the life changing "Renewed by the Holy Spirit," a collection of testimonies of Catholic priests touched and renewed by the Holy Spirit. His book, "Healing Through the Mass" emphasizes his belief in the Mass as a healing service, and is a favorite of both clergy and lay people. Other popular books include "Coming to Life", "Resting in the Spirit," "To Forgive is Divine", Eucharist, Jesus the Healer," "Forgiveness and Inner Healing", and "Healing Through the Rosary." Spanish translations of these and other books are circulated in Central and South America. Some of his 18 popular cassette albums include "God is Love," "Forgiveness is Healing" and the Healing Gifts of the Holy Spirit.

Father DeGrandis is stationed at Saint Joseph Seminary, Washington, D.C. and speaks at conventions and rallies throughout the world. He has worked extensively in Latin America.

Father's goal is to achieve a balance between sacraments, scripture, prayer and charism. He has taught extensively on the role of charism in the Holy Mass and ministry. He aims at helping people and priests to yield to the Holy Spirit in the various charisms.
