"The Immaculate Conception"

In 1999 in his letter to artists, Pope John Paul II wrote: "Beauty is a key to the mystery and a call to transcendence. It is an invitation to savor life and to dream of the future." This lovely picture of our beloved mother Mary, under her title of "The Immaculate Conception" is one shining example of Pope John Paul's heartfelt words. This Christmas, consider sharing Her beauty and Her dreams for the future with those you love.

Look at the enlargement taken from the bottom left corner of the picture. You can see some of the 100's of pictures of The Virgin Mary reproduced in this beautiful and unique keepsake of PFMC and Medjugorje. The little pictures form the big picture to create a *JesusMosaic.*
